

REGISTRATION FEE:

Students and research Scholars :Rs 500
Academicians :Rs 1000
Professionals from Industry :Rs 1500

Participants are requested to send their details through e-mail on or before 20th September, 2019. Confirmation will be sent to the selected participants through e-mail. Only the selected participants are requested to register with registration fee in the form of Demand Draft drawn in favor of "The Principal, SVCE, Sriperumbudur Tk" payable at Indian Bank, Sriperumbudur. Filled in registration form along with DD should be sent to the below mentioned address on or before 25th September, 2019. The number of participants is limited to 40 and the selection will be based on the early birds.

BONAFIDE CERTIFICATE

(For Students only)

Mr./Ms. _____ is permitted to attend "National Workshop On Mass Cultivation of Microalgae for Production of Biofuel and Biorefineries" from October 3-4, 2019 at Sri Venkateswara College of Engineering (Autonomous), Sriperumbudur Tk, Tamilnadu – 602 117.

ABOUT THE INSTITUTION

Sri Venkateswara College of Engineering (SVCE), one of the premier technical Autonomous Institution in Tamilnadu, was established in 1985. The College is situated on the Chennai – Bangaluru National Highway (NH4) about 37 km south-west of Chennai. The college offers 10 UG programmes and 10 PG programmes. The National Board of Accreditation and National Assessment and Accreditation Council accredited many of the eligible programmes, and SVCE is an ISO 9001:2015 certified institution.

DEPARTMENT OF BIOTECHNOLOGY

Sri Venkateswara College of Engineering noted the recent growth in Modern Industrial Biotechnology. In order to support the growth in biotechnology, SVCE started the Department of Biotechnology in 2005 under the guidance of our Chairman Dr. A.C. Muthiah, a well known Industrialist who understands the strength of Industrial Biotechnology. The Department offers B.Tech and M.Tech Biotechnology programmes approved by AICTE. It is also approved as a Research Center in Biotechnology for MS (by Research) and Ph.D. programs by Anna University, Chennai. The Department has well established laboratory facilities namely Genetic Engineering, Bioprocess, Research Labs, Animal house and Computational System Biotechnology Lab. The Department received Research Grants (1.7 Crore) from various funding agencies such as SERB, ICMR, AICTE, CTS and also several grants for organizing Short Term Training courses, Workshops, Faculty Development Programmes from various funding agencies such as DBT, SERB, ICMR, CSIR and EDII.

SVCE has State of the art research facilities such as Research Lab, Animal House, Plant and Animal Tissue Culture Lab, Genetic Engineering Lab, carryout research in various fields. Advanced Bioprocess and Downstream Processing Lab to

Students are encouraged to take up Entrepreneurship through Entrepreneurship Development Cell under SVCE-EPIC Scheme.

PROGRAMME OBJECTIVE

The world economy depends on energy. In this context, India is energy deficient and importing 72% of its total energy requirement. Alternate fuels can fill India's energy gap. Particularly, microalgae are being researched as the leading source for next-generation biofuels.

The objective of the workshop is to transmit the facts and information about open pond mass cultivation, in-situ pond monitoring, optimization of outdoor growth, and microalgal biofuel and associated bio-products. Further, hands-on experience will be provided in media preparation for outdoor mass cultivation of microalgae, inoculation, cultivation, monitoring contamination, harvesting, purification and biochemical analysis of biofuel and value-added products. Through this programme, the participants will be also able to interact with experts from industry and academic institution and thereby enhancing their skills in the above fields.

EMINENT SPEAKERS

- 1. Dr. Senthil Chinnasamy**
Chief Technology Officer at Biotechnology Division of ABAN group
Chennai
- 2. Dr. Ashwin Kumar**
Senior Research Scientist at Intas Pharmaceuticals Ltd. (Biopharma Division)
Ahmedabad

COURSE CONTENT & SCHEDULE

The workshop consists of series of hands-on-sessions on microalgal biofuel and biorefineries. The content is as follows:

- Microalgae isolation, identification and characterization through microscopic examination
- Phototrophic, heterotrophic and mixotrophic cultivation of microalgae
- Open pond mass cultivation in outdoors
- Harvesting of microalgae
- Analysis of bioproducts including Omega 3 fatty acid, Carotenoids, Biodiesel, etc

This workshop would also include informative lectures on microalgae industrial production and bioproducts by eminent speakers.

VENUE AND DURATION

This Workshop is organized at Sri Venkateswara College of Engineering (Autonomous), Pennalur, Sriperumbudur, Tamilnadu, India, during October 3-4, 2019.

TRANSPORTATION & ACCOMMODATION

The participants can avail the SVCE bus facility to attend this workshop. For route details, please refer www.svce.ac.in. Accommodation has to be taken care by the participants itself.

DATES TO REMEMBER

Last date for e-mail registration : 25.09. 2019
Last date for registration with DD : 30.09. 2019
For further clarifications please e-mail to

PROGRAM SCHEDULE

NATIONAL WORKSHOP ON “MASS CULTIVATION OF MICROALGAE FOR PRODUCTION OF BIOFUEL AND BIOREFINERIES”

3rd - 4th October 2019

TIME	EVENTS
3rd October, 2019	
09.00 AM - 09.20 AM	Registration
09.20 AM - 09.25 AM	Prayer Song
09.25 AM - 09.30 AM	Welcome address by Prof. E. Nakkeeran Head, Department of Biotechnology Sri Venkateswara College of Engineering
09.30 AM - 09.45 AM	Patron Address by Prof. S. Ganesh Vaidyanathan Principal Sri Venkateswara College of Engineering
09.45 AM - 09.50 AM	Introducing the Chief Guest Dr. V. Sivasubramanian Director, Phycospectrum Consultants PVT LTD and Director, Phycolinc Technologies LTD Chennai
09.50 AM - 09.55 AM	Welcoming the Chief guest By Bouquet and Lighting the Kuthuvillakku by Chief guest
09.55 AM - 10.00 AM	Releasing the Workshop Manual by Chief guest
10.00 AM - 10.45 AM	Inaugural Lecture by Chief guest
10.45 AM - 11.00 AM	Hi-Tea
11.00 AM - 11.45 AM	Lecture by Dr. V. Sivasubramanian Director, M/s. Phycospectrum Consultants Pvt. Ltd and Director, M/s. Phycolinc Technologies Ltd Chennai
11.45 AM – 12.30 PM	Lunch
12.30 PM – 03.15 PM	Hands on sessions
4th October, 2019	
8. 30 AM - 10. 30 AM	Hands on sessions
10.30 AM – 11.15 AM	Guest lecture by Mr. Senthil Rajan Manager M/s. United Alacrity Pvt. Ltd, Chennai
11.15 AM - 11.30 AM	Hi-Tea
11.30 AM - 12.15 PM	Valedictory Function (Valedictory address by Chief guest, Feedback from participants, Certificate distribution, Vote of thanks)
12.15 PM - 01.15 PM	Lunch
01.15 PM – 03.00 PM	Department / Lab Visit

Attendance for Masscultivation of microalgae workshop

DEPARTMENT OF BIOTECHNOLOGY

**REPORT ON “MASS CULTIVATION OF MICRO ALGAE FOR PRODUCTION OF
BIOFUEL AND BIOREFINERIES”**

3rd and 4th October 2019

The Department of Biotechnology, Sri Venkateswara College of Engineering conducted the National workshop on "Mass cultivation of micro algae for production of biofuel and biorefineries" on 3rd and 4th October 2019. The inaugural function commenced with a prayer song at 9.20 am. The welcome address was delivered by Prof. Nakkeeran E followed by the patron address by Prof. S. Ganesh Vaidyanathan, our honourable principal. Prof. M. Sivanandham, our respected Secretary, SVEHT then enlightened us with his words of wisdom. Dr. Senthil Nagappan A introduced and welcomed our Chief Guest, Dr. Subramanian V, Director, Phycospectrum Consultants Pvt. Ltd. who then lighted the Kuthuvilakku and gave a very inspiring talk.

After lunch break, series of hands-on sessions on micro fuel biofuel and biorefineries was conducted. The topics covered were:

- 1 Microalgae isolation, identification and characterization through microscopic examination.
2. Phototropic, heterotrophic and mixotrophic cultivation of microalgae.
3. Open pond mass cultivation in outdoors.

On day 2, the hands-on workshop was continued on the following topics:

1. Harvesting of microalgae.
2. Analysis of bioproducts using omega 3 fatty acid, Carotenoids, Biodiesel, etc.

This was then followed by a guest lecture by Mr. Senthil Rajan, Manager, United Alacrity Pvt.Ltd and the valedictory function was commemorated by chief guest. The event came to an end with the Certificate Distribution and Vote of Thanks.

A. Anand

PARTICIPANTS FEEDBACK

Rating-5(Highest) 1(Lowest)

S.No	Aspect of Workshop	5	4	3	2	1
1	Course Content	✓				
2	Hands on Experiments	✓				
3	Thoroughness of coverage			✓		
4	Coverage of Experiments	✓				
5	Special Lectures by Experts	✗	✓			
6	Logistics arrangements		✓			
7	Overall assessment of the Workshop		✓			

8. Indicate the highlight(s) of the workshop

The hands-on session, where the faculty and the student volunteers were supportive & patient enough to teach the basics and computer analysis. Very knowledgeable.

9. Any specific aspect that needs particular attention and improvement? Please be frank

Guest lectures that spoke only about their work predominantly and not with ~~real~~ opportunity to learn for purpose of the workshop.

10. Would you be in a position to apply the knowledge gathered in this workshop on your own in your organization?

Yes, it was very useful and easy to apprehend.

11. Contacts (Mobile No/ E.mail ID)

9941409834 ; dlithyavenkatesh@yahoo.com

12. Would you like to come back for another workshop/Conference in this college

Yes, why not?

13. Specific comments, if any

Better Guest lectures and complete coverage of the contents

14. Are you interested to make use of our facility for your Major/Minor Project. If yes, mention the name of the facility.

Haven't decided! Once finalised, will definitely get back to you.

Signature of the Participant

Thank You! 😊
