## **EXPERT WEBINAR ON “ART OF PUBLISHING RESEARCH AND REVIEW ARTICLES”**

This international webinar aims to provide knowledge on the “ART OF PUBLISHING RESEARCH AND REVIEW ARTICLES” to the participants. This online webinar provides a platform to connect peers in this field across the Globe. Students, Research Scholars and aspiring faculty members benefited from the webinar presented by the Speaker.

The webinar was successfully organized on 08.08.2020 by the Department of Mechanical Engineering, SVCE. This webinar was coordinated by Dr. C.Senthamarai Kannan AP/MEC, and Mr. G.Kirubakaran AP/MEC

This webinar aims to provide detailed information about various aspects available while writing research and review articles such as,

Expert discussed about literature review, how to read the articles, then controversies with debates and finally focusses on the unanswered questions in the past literature surveys in their respective field. Then discusses the essential thing, how to choose the article title for increasing citations. Further explained about the different methodologies in extracting results and portraying in different view. He also suggested many tools to extract the results and how to present it. Editor and reviewer point of reading the articles is well explained and discussed various steps involved in a publication process.

Faculties, students, research scholars benefitted by this talk and at the end E-Certificate is issued to all participants.

### **DETAILS OF PARTICIPANTS:**

SVCE Students = 10    SVCE Faculties = 19    External College Students = 74

External College Faculties = 144

Industrialists = 03
