## **BRIEF REPORT OF ARTIFEX INAUGRAL**

The host Ms.Dharshini G (III year), welcomed everyone present in the meet and the much awaited event started with the prayer song. Followed by which Mr Abishek Murali, general secretary of CEA delivered the welcome address. The chief guest of the day Mr. Avinash CKR was introduced by Arshiya AS, the joint secretary of CEA.

Mr. Avinash CKR began the webinar by sharing his thoughts on the present pandemic and some preventive measures. The following were shared by him:

- Scope of remediation in India.
- Remediation technologies
- Roadmap to remediation
- Periodic monitoring of events
- Pilot trials
- Soil vapour extraction
- Air sparging and Bio sparging.
- Dual phase extraction (DPE)
- Piping and system layout.

**SNAPSHOTS OF THE WEBINAR**

**SPEAKER : Mr. Avinash CKR**

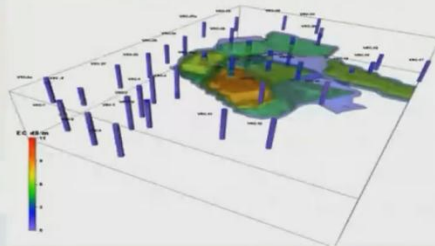

The image shows a screenshot of a webinar interface. The main content area displays a slide with an aerial night view of a city skyline. The slide features the AECOM logo in the top right corner with the tagline "Imagine it. Delivered." and the title "Environmental Remediation- Scope and Approach" in large white text. At the bottom of the slide, there is a small white box with the text "meet.google.com is sharing your screen." and two buttons: "Stop sharing" and "Join".

On the right side of the interface, there is a circular video feed of the speaker, Mr. Avinash CKR, with his name "Avinash CKR" written below it.

## Scope of Remediation in India

- Huge potential in developing countries
- USEPA, Dutch and Canadian standards are referred world wide
- No regulations/guidelines in India
- Soil and Groundwater standards in India are expected to be released in few years

"Removal of the pollutants/toxins from Soil/Ground water/Surface water. Removing the source or breaking the pathways reduces exposure"

"AECOM remains the longstanding market leader with a global EC team of around 7,700 environmental consultants and a market share of 7.0%, having grown this part of the business by 6.7% in 2019 thanks primarily to a strong perfo...see more

### Bio sparging (BS)-Passive Venting (PV)

"Bio sparging is the process of inducing air into subsurface at lower flowrate to aerobically degrade petroleum hydrocarbon present in the dissolved phase"

- Combined BS-PV to remove volatile hydrocarbon impacted soil by the usage of whirly birds
- Targets the contaminant mass present in the dissolved phase
- Suitable for relatively small and finite releases

## **BRIEF REPORT OF PAPER PRESENTATION EVENT**

The objective of this event is to test and enhance Basic Civil Engineering knowledge among the students.

The Civil Engineering Association (CEA) and the Department of Civil Engineering, SVCE successfully conducted an online paper presentation competition, PAPER PRESENTATION 2021 on 21st May 2021 for the B.E/DIPLOMA Civil Engineering students. MS G.Monisha, ( Senior Executive Member, CEA ) Of III year and Ms.Neha G ( Junior Executive Member, CEA ) of II year were the coordinators for this event.

Ms.G.Monisha and Ms. Neha G of III year and II year of Civil Engg. were the host for this event. Students from various colleges had participated. The event began at 10.30 am by welcoming the participants and the rules and regulations were explained. Participants presented their ideas in teams.

Total 9 teams participated in the event and the questions were asked after each presentation.

The judged commented on every paper and appreciated their attempt and also gave suggestions on how to improve their presentation based on the question and answer session.

### **Winner:**

Mr. Athik Mohamed M

Topic: Civil Engineering IN new millennium

College: Thiagarajar Polytechnic college, Salem

### **Runner up:**

VEERAMANI. G & SRINIVASAN. B

Topic: CFRP FOLDED PLATE STRUCTURES

College: SRI LAKSHMI AMMAL ENGINEERING COLLEGE

The students enthusiastically participated and showcased their innovative ideas.

## **BRIEF REPORT OF BUILD-O-QUIZ EVENT**

The objective of this event is to test and enhance Basic Civil Engineering knowledge among the students.

The Civil Engineering Association (CEA) and the department of Civil Engineering, SVCE successfully conducted an online inter-college quiz competition, BUILD-O-QUIZ 2k21 on 21st May 2021 for the B.E/DIPLOMA Civil Engineering students. Mr.Naveen S, ( Senior Executive Member, CEA ) Of III year and Ms.Harshavarthani G, ( Junior Executive Member, CEA ) of II year were the coordinators for this event.

Mr.Naveen S of III year of Civil Engg. was the host for this event. Students from various colleges had participated. The event began at 11:00 am by welcoming the participants and the rules and regulations were explained. Participants attempted the quiz in a team of two members.

Two rounds were conducted. The first round of the competition comprised of 30 questions plus 2 bonus questions (5 points), where the students have to attempt the questions presented on the screen which are related to Civil Engineering and general aptitude. Questions were first displayed without options for 30 seconds and then the options are shown in the next 30 seconds. Two points are given to the team who answered right without seeking options and 1 point is given if answered after showing the options. Among the entire participants 3 teams qualified for the final round.

The second round, i.e the final round was held after a small break. This round comprised of 20 questions and having the same set of rules and regulations as of the first round. Only the time constraint is altered, i.e 25secs without options & 25secs with options. After competing in all the rounds, the following Students occupied the positions:

### **Winners:**

Ms.Yuvashree S of III year, Easwari Engineering College

Mr.Praveen raj B of III year, Easwari Engineering College

### **Runner up:**

Mr.Gogula chezhiyan.N of II year, Sri Venkateswara College of Engineering

Mr.Hariharan.V of II year, Sri Venkateswara College of Engineering

The students enthusiastically participated and showcased their brilliance by rapidly answering the questions. Though some of the questions were very tricky, the students tried to answer them with confidence. They found this competition very informative and knowledge enriching.

# SNAPSHOTS OF THE EVENT

## ROUND 1

- Round 1 comprises '32 questions'
- The Team is given two choice of answering
  1. Without option (30sec) = 2 points
  2. With option (30 sec) = 1 point
- If a team answers the question correctly, without seeking options, 2 points will be provided.
- If a team answers the question correctly after providing the options, 1 point will be given
- 5 Points for Bonus question. It will be displayed after question 10 & question 20. It doesn't have options.
- 0 points for incorrect attempt
- **RED** - Civil related Questions
- **GREEN** - Aptitude Questions
- **PURPLE** - Bonus Questions

## **BRIEF REPORT OF LINKATHRON EVENT**

The objective of this event is to test the basic knowledge of technical terms in Civil Engineering knowledge among the students.

The Civil Engineering Association (CEA) and the department of Civil Engineering, SVCE successfully conducted an online inter-college connection event, LINKATHRON on 21st May 2021 for the B.E/DIPLOMA Civil Engineering students. Mr.Vijay P, ( Senior Executive Member, CEA ) Of III year and Mr.Laleeth Kumar D, ( Junior Executive Member, CEA ) of II year were the coordinators for this event.

Mr.Laleeth Kumar D of II year of Civil Engg. was the host for this event. Students from various colleges had participated. The event began at 12:30 pm by welcoming the participants and the rules and regulations were explained. Participants participated with two members per team

Three rounds were conducted. In the first round participants were asked 15 questions and were asked to answer each question within 45 seconds. They were asked to answer the answers in the google forms provided .Each question was given 10 points. While answering the students should fill the answer in the google form such that First letter is in capital. The top eight teams will qualify to next round.

In the second round 10 questions were given and was asked to answer in 1 minute in the same way. From this round top five teams got into the last round .

In the last round 5 questions were given, each of 1 minute time. The first who ! mark first will be given priority to answer. In this round there was a tie between two teams for runner up place , so was given bonus question in which a word should be found with the picture given .This question has no time limit to answer. After competing in all the rounds, the following Students occupied the positions:

### **Winners:**

Ms.Harshavarthini G of II year, Sri Venkateswara College of Engineering

Ms.Hemalatha R of II year, Sri Venkateswara College of Engineering

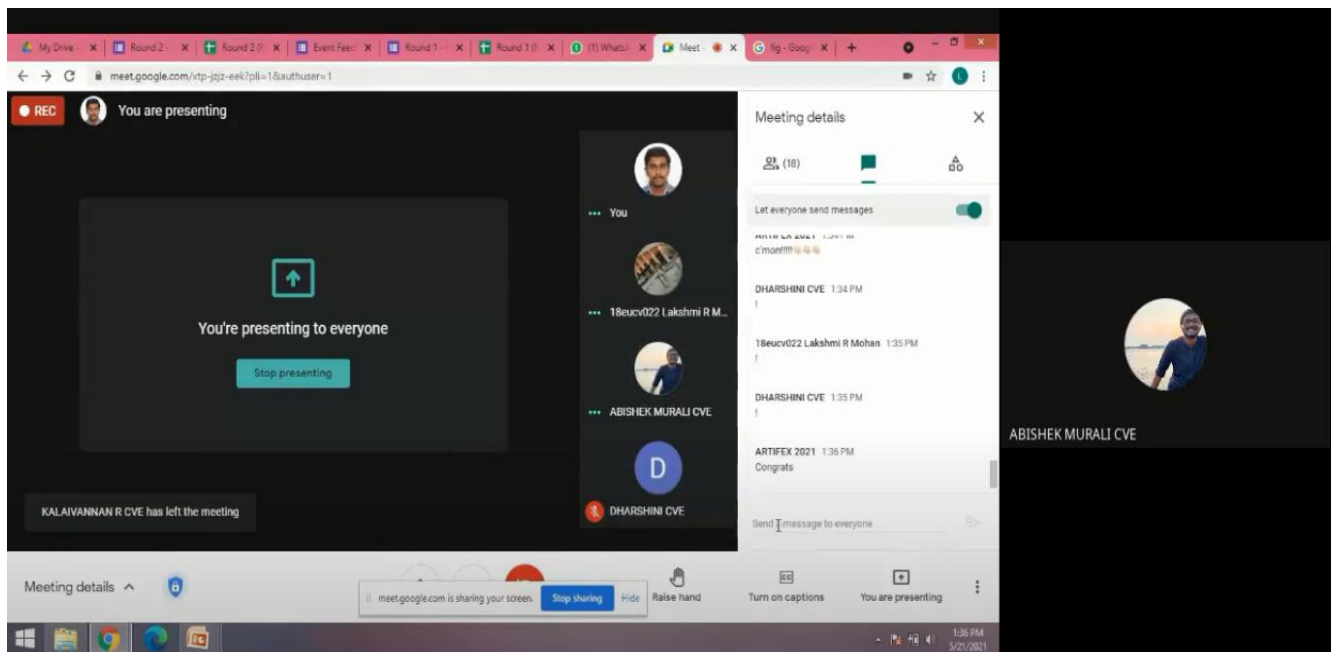

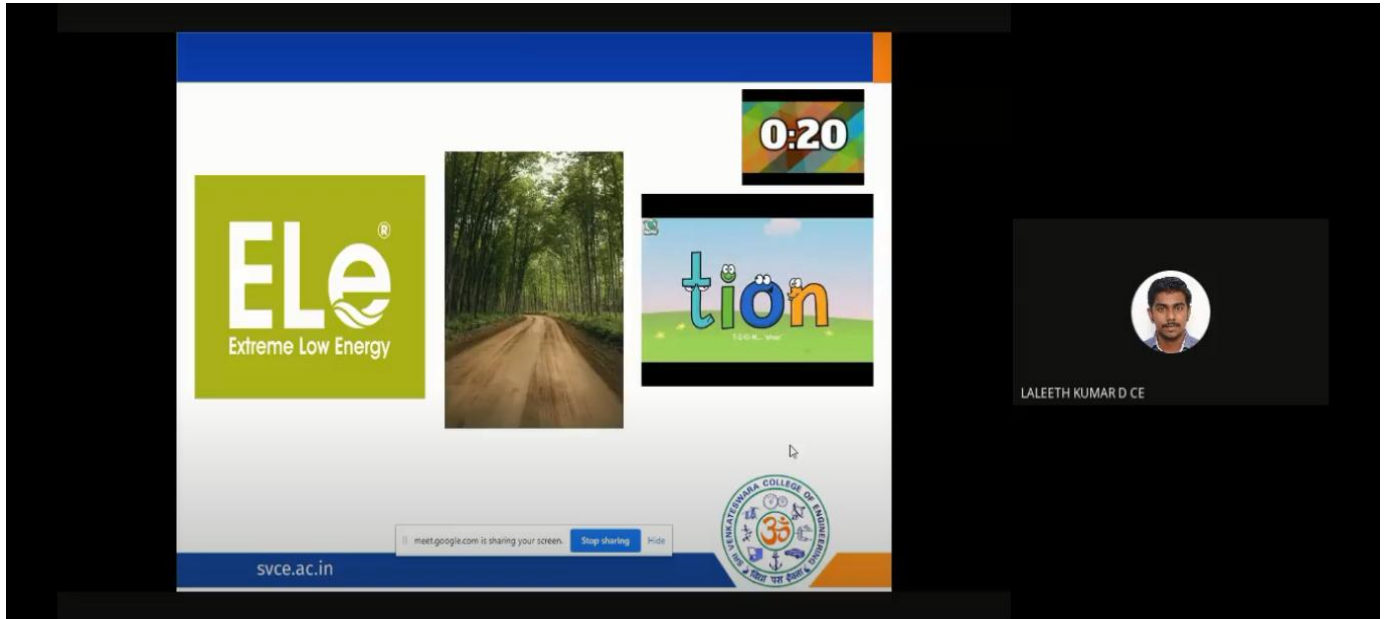

### **Runner up:**

Mr.Lakshmi R Mohan of II year, Sri Krishna College of Engineering and Technology

Mr.Ajay S.B of II year, Sri Krishna College of Engineering and Technology

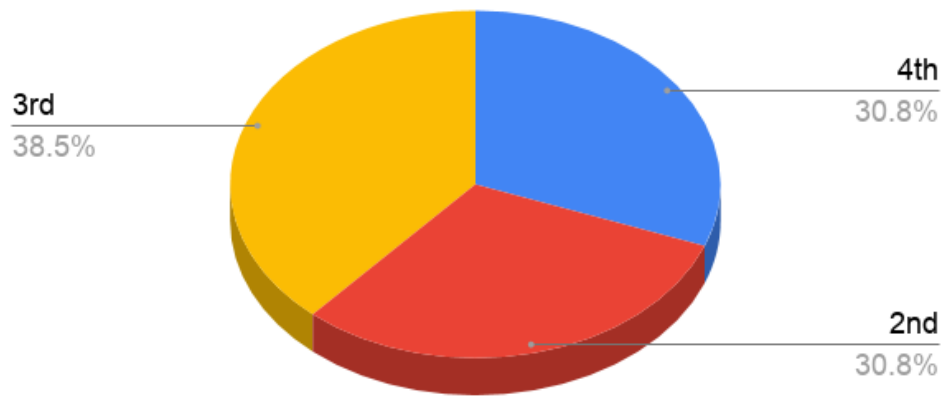

The students enthusiastically participated and showcased their brilliance by rapidly answering the questions. Though some of the questions were very tricky, the students tried to answer them with confidence. They found this competition very informative and knowledge enriching.

## **BRIEF REPORT OF MAD OVER MARKETING**

The objective of this event is to test and enhance Basic Civil Engineering marketing knowledge among the students.

The Civil Engineering Association (CEA) and the department of Civil Engineering (SVCE) successfully conducted an online inter-college Marketing competition, MAD OVER MARKETING 2021 on 21st May 2021 for the B.E/DIPLOMA Civil Engineering students.

Ms. Jenisha of II year of Civil Engg. was the host for this event. Students from various colleges had participated. The event began at 1:45 pm by welcoming the participants and judges ,the rules and regulations were explained. Participants attempted the event as a single member and team of two members .

The event was conducted in two rounds . The product was given on the spot to the students by choosing the slot number in the presentation . In the first round participants should fix the brand name and say the tagline for the product and In the second round participants should market the event orally by using their marketing talents .

Judges have asked various cross questions about the product to check their marketing skills and knowledge about the given product . Totally 20 marks were allotted . For Round 1 ten marks were allotted and separated by tagline - 5 marks and slogan - 5 marks . For Round 2 ten marks allotted for their marketing skills . For each participant 10 minutes of time was given to prepare the brand name and tagline for Round 1.

All the participants have marketed their product in a brilliant way and among nine participants , two participants have been selected as a winner and runner of the event .

**Winner:** Sampruth Pirabakaran of IV year, Sri Krishna College of Engineering and technology .

**Runner :** Magendra kamalnath S A of I year , SSN college of Engineering

Finally, the event was completed by vote of thanks and participants found this competition very informative and knowledge enriching.

9.	MAGENDRA KAMALNATH.S.A	I	SSN COLLEGE OF ENGINEERING

### Common comments /feedback from Participants on Mad Over Marketing

- This was really helpful
- Very good
- It's really very informative .
- Good Content and Effort
- Very good and informative.
- Excellent
- It was a great session and it was very useful for upskilling my Entrepreneurship goal.

# BROCHURE

## WORKSHOP ON AUTOMATION OF CONSTRUCTION PROCESS USING 3D PRINTING

By  
Mr. Sriram Renganathan,  
Product Manager,  
Tvasta Manufacturing solutions.

3.00pm - 3.45pm

Tvasta Manufacturing Solutions, an IIT Madras alumni founded startup, took the initiative and built " Indias First 3D Printed house" in five days. The house was inaugurated by Union Finance Minister, Nirmala Sitharaman.

Participation Certificate will be provided

Abishek Murali - 87549 99315  
Arshiya - 9047016574

## **BRIEF REPORT OF WORKSHOP**

**CIVIL ENGINEERING ASSOCIATION AND THE DEPARTMENT OF CIVIL ENGINEERING OF SVCE** had organized a workshop on the highly trendy **3D printing**. The workshop was held from **3 to 3.45 PM in Google Meet** on **21<sup>st</sup> May, 2021** for the B.E/BTech/Diploma Civil Engineering students.

The event was coordinated by Mr. Abishek Murali (General Secretary) of 3<sup>rd</sup> Year, Ms. Arshiya AS (Joint Secretary) of 2<sup>nd</sup> Year. The Workshop was host by Ms. Arshiya AS. Students from various colleges of India had actively taken part. The event was commenced at 3:00 pm by welcoming the Speaker and participants.

We had **Mr. Sriram Renganathan** as the speaker to detail about 'Automation of Construction Process using 3D printing'. He started off with what is it and gave a proper definition. Then he went on to explain Process flow of concrete 3D Printing and Production of Concrete 3d Printer. He also elucidated the construction process of 3D Printed wall, roofs etc of India's First 3D Printed House.

More than 90 students took the benefit of the workshop. The students showed great interest and enthusiasm in understanding about the working of different designs can be possible on 3D printer which is not possible on ordinary construction.

He also discuss the present scenario of 3D printing technology in the world market and how it is important to budding engineer to learn the latest technology. As of next May 2022, additive manufacturing systems were on the market and were employed in industries including aerospace, architecture, automotive, defense, and medical replacements, among many others. He clearly stated the need for housing in rural India and How Tvasta's C3DP technology systems are used for rapid prototyping, before mass production methods are employed.

Lastly, there was a brief networking session wherein students majorly got their doubts cleared. The vote of thanks was delivered by Ms. Neha G (Junior Executive Member) The workshop turned out to be a fruitful event with large enthusiastic participation and received wonderful feedback with this we came to the end of the workshop.

## **Feedback from Participants of Workshop**

- The workshop session was good
- conceptual Presentation was nice
- Came to know many information about the field.
- It super and sir explain the answer for all the questions...
- Very Clear And Concise Workshop. Excellent!
- very enlightening for an aspiring civil engineer
- Arrange like this workshop, it is very useful to me.
- I hope in future we can do it in larger scale
- had a clear view on how 3d buildings are built and the session was informative
- Very interesting and useful session
- I learned new thing in this workshop . I thanked you for this workshop .The presentation really good again thank you for this .
- Very good workshop ..got of new interesting information about 3d printing
- It is very good and quite interesting.I've learned a lot about 3d printing.
- I have gained some knowledge about 3d printing
- It's a good experience and quite useful during this pandemic.
- The session was very informative and much needed
- it was very informative

### **BRIEF REPORT OF ARTIFEX VALEDICTORY**

Ms.Monisha (III year), welcomed everyone present in the meet, Followed by which Dr.R.Kumutha, Professor & Head/Civil Engg delivered the valedictory address.

The annual report was presented by Mr.Kalaivannan R, Assistant Professor, and Mr.Hariswaran S, Assistant Professor, Dept of Civil Engg. ,SVCE.

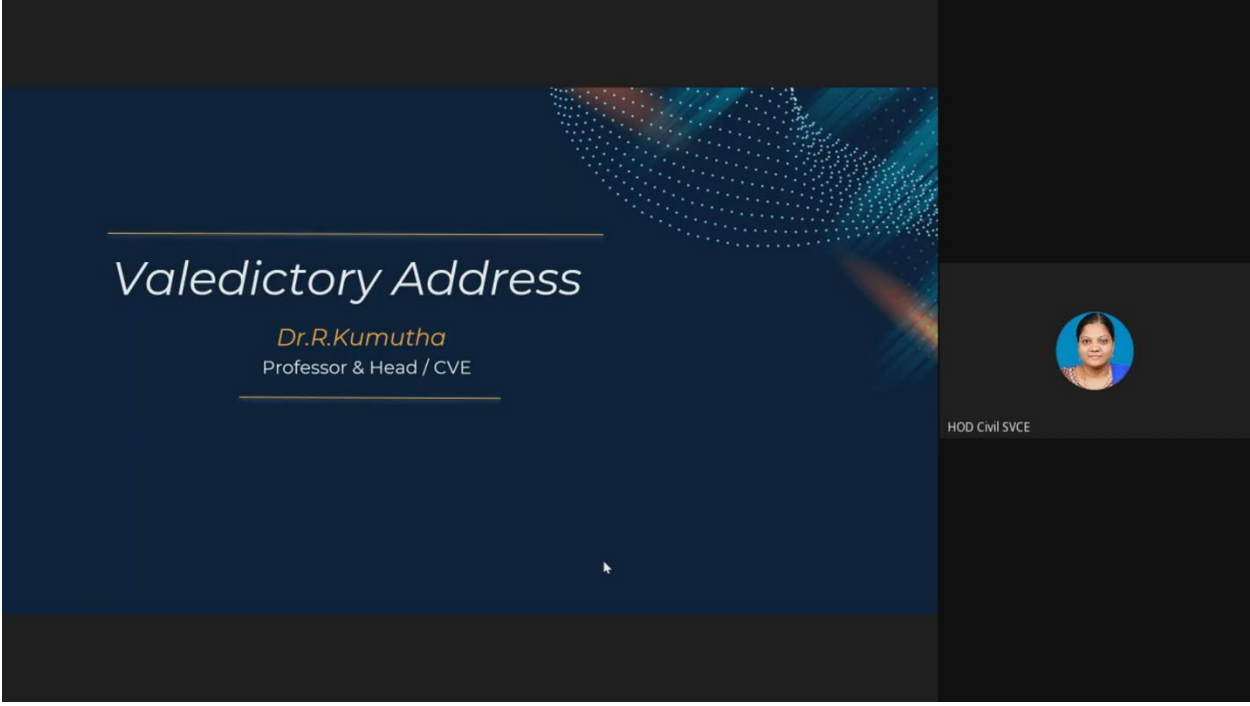

The winners of various events were announced by Dr.R.Kumutha, Professor & Head/Civil Engg..

The event concluded successfully as Arshiya AS, the joint secretary of CEA, delivered the vote of thanks.

## SNAPSHOTS OF ARTIFEX VALEDICTORY

The screenshot shows a Google Meet interface with a presentation slide. The slide has a dark blue background with a glowing, particle-like pattern. On the left is the Sri Venkateswara College of Engineering logo. In the top center is the SVCE logo (Sri Venkateswara College of Engineering). On the right is the CEA logo (Civil Engineering Association). The text on the slide reads: "Department of Civil Engineering & Civil Engineering Association Welcome You All For National Level Technical Symposium". At the bottom center is the ARTIFEX logo, which is a blue silhouette of a city skyline. Below the ARTIFEX logo is a small notification bar that says "meet.google.com is sharing your screen" with "Stop sharing" and "Hide" buttons. On the right side of the screen, there is a small circular video thumbnail of a person, with the name "Arshiya Arvind" written below it.
