WEBINAR ON CYBER SECURITY IN COVID – 19

Date: 04.06.2020

Time: 10 AM to 11 AM

Resource Person:

Mr Ravishankar, Assistant Vice President, K7 Academy

Objectives

- To understand the basics of Cyber Security.
- To get an exposure to the importance of Cyber Security in electronic devices
- To learn the basic measures to ensure e-safety
- To understand how cyber attacks happen in unsecured environment
- Explore few real-world examples.

About the programme

The Department of Information Technology in association with IIC conducted a webinar on Cyber Security in COVID-19 on 4th June, 2020. Dr. V.Vidhya, HoD/INT, Students and Faculty members of SVCE and other colleges participated in the webinar. The webinar Coordinator Dr. T. Sukumar, Associate Professor & Asst Head/INT, welcomed all the participants and delivered the introductory speech about the areas of expertise of the speaker Mr. Ravishankar.

Mr Ravishankar started the session with basic terminologies in the field of Cyber Security and extended the session explaining the importance of being e-safe, emphasizing on how to be conscious before accepting the provider's 'Terms and Conditions', and before installing any software. He also demonstrated a couple of virus attacks on a computer and mobile device. The demos clearly showed how an attacker could challenge the owner of the system for a ransom. The examples mentioned were relatable with real world, it was easy for the participants to ingrain the facts and ideas.

Mr Ravishankar threw some light on possible certifications in the field of Cyber Security and their demand in the industry. He mentioned that security is a horizon that spans across all the domains and any interested individual could learn Cyber Security.

The Webinar was more interactive and the participants cleared their doubts during the session. The Question and Answer part of the event was quite extensive where the speaker addressed all the questions posted at him patiently.

Overall the session was insightful and useful for the participants. The event was closed with Mr. E. Sivakumar, Assistant Professor delivering the vote of thanks. Dr. V.Vidhya, HoD/INT and Dr T Sukumar thanked the speaker for making an excellent presentation and all the participants for their active participation.
