IEEE C.H.A.S.E is a one-day event which had three segments

### **I. Debate:**

The moto of the event was to showcase the eloquence of young orators of SVCE. It was held in two rounds namely prelims and final. In each round, the participants were asked to debate in two dimensions like build the castle and rebuttal segment. In build the castle, the participants added points to strengthen their team and in rebuttal, they were allowed to oppose their opponent's ideas. The participants were judged in several criteria and top speakers were rewarded.

### **II. Resume Review:**

The event aimed to help the participants to know the highs and lows of their resumes. Mr.D.Shakthivel , Senior manager, HR dept, Pos-Hyundai reviewed the resumes and gave the real-time expectations of the Industry.

### **III. Mock Interview:**

The event offered participants a real-time interview experience. The participants were allotted waiting and chat rooms in Air Meet. The interview was conducted by Mr. Arjun Aravind, Software Consultant at Ajira Tech and a freelance developer, Ms.Aruna, HR recruiter at Saaki Argus Averill consulting and Mr.Gokulakrishnan, Software engineer at Avasoft. This will enable the participants to perform well in the future.
