**OBJECTIVES :**

- To provide a competitive knowledge on cybersecurity and cyber forensics
- To enable students prepare for competitive aptitude

**ABOUT THE PROGRAMME:**

On the 9th of January 2022, the Computer Society of India - SVCE Student Chapter hosted a technical quiz on "Cybersecurity". It was conducted for all second-year students across all departments. The event began with a welcome address from Mr. Gokulnath, vice chairman of CSI. Ms. Keerthana Jaiganesh, Chairman of CSI, then hosted the occasion. 56 students from various departments participated and the questions were framed based on moderate to challenging level questions that enabled students to apply their knowledge on cybersecurity. The event was conducted on an online platform named slido. The participants were given 15 secs to answer each question and the 10 students were selected to the finale round. The finale round consists of challenging questions and the students actively participated in the event. The winners were selected based on the quiz leader board which was based on quick and accurate answering of questions. Cash prizes were awarded to the winners. Mr. V. Ranjith (AP/IT), Mr. M.P. Lakshmana Kumar (AP/CSE), and Mrs. M. Vidya (AP/ECE) along with the office bearers of CSI-SVCE Student Chapter 2020-2021 under the supervision of Dr. V. Vidhya, CSI-SVCE Student Branch Counsellor coordinated the event. Feedback was collected from the participants regarding the complexity, effectiveness, and suggestions for the betterment of the event.
