Brief report on guest lecture

The Association of Marine Engineers, SVCE has organized a guest Lecture titled "Introduction to Supply Chain Management" by Mr. SIBI VARSHAN M, Business Process Expert, European Supply Network Planning, Wavin Group, Denmark on 26th August, 2020. The event was started around 11.45am and was welcomed by Cadet Dharshan Raju S, President, Association of Marine Engineers through Google Meet(Online Platform).

The chief guest was introduced by our beloved Prof. S.Krishnan, HoD/Marine Engineering.

The entire session was handled by the interesting lecture given by Mr. SIBI VARSHAN M. The guest has shared his expertise with this lecture starting from the first experience he gained from Danfoss Industries.

He has touched upon the following topics:

- Basics - Supply Chain Management (SCM)
- SCM vs Logistics
- SCM strategy
- SCM Network structure

Though the program was organized online, the guest answered patiently to the queries from students and faculty members. The session was enjoyed by a strength of 60 members of Marine Engineering students and faculty.

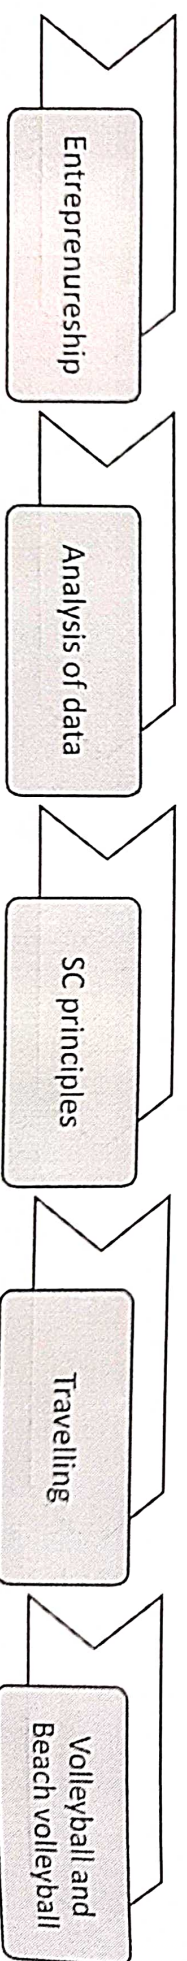

The session came to an end with the vote of thanks given by Cadet Joel R, Secretary, Association of Marine Engineers. HoD requested the chief guest to visit our campus when he come to India. The guest felt happy for the opportunity given to him and he thoroughly enjoyed it.
