

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

ADMISSIONS OPEN FOR B.E [EEE]

www.svce.ac.in

SVCE is a unit of Sri Venkateswara Educational and Health Trust (SVEHT) which was founded on 1st August 1985. Dr.A.C. Muthiah, a renowned engineer, industrialist and philanthropist, is the Chairman of the Governing Council of the college. SVCE is in a 95-acre sprawling lush green campus. The campus houses architecturally exquisite buildings with excellent infrastructure such as classrooms, state of the art laboratories, libraries, sports arena, canteen, hostels, dispensary, bank etc.

SVCE conducts 11 B.E / B.Tech Degree Courses and 8 PG Courses in Engineering. SVCE has 11 Research Centers approved by Anna University cater to MS (by Research) and PhD programmes. The courses are approved by AICTE. SVCE received Autonomous status in 2016. SVCE is accredited by National Assessment and Accreditation Council (NAAC). Additionally, departments are accredited by National Board of Accreditation (NBA). SVCE is also certified by IRQS with ISO 9001:2015 which vouchsafe the quality of education imparted in SVCE.

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

The Department of EEE was started in the year 1985. Starting with an intake capacity of 60 in 1994 the Department of Electrical and Electronics Engineering is now catering to the growing need of 120 students. The Department has secured permanent affiliation with Anna University and accredited for five years by NBA for the third consecutive time which heralds its quality. The Department has well equipped state -of- the- art laboratories and is recognized as a nodal research centre of Anna University.

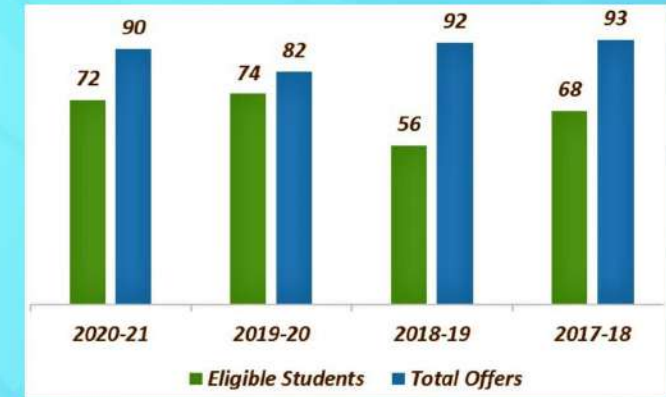

The Department has well qualified, experienced faculty and staff members of high calibre and profound skills. The Students of the department are being placed in various reputed companies and substantial number of students pursue higher studies abroad. Several alumni of the department are at the top echelons of the industry and academia which is one of the pillars of strength of the department.

ADMISSIONS

Out of 120 seats, 50 % are filled up through Anna University's online-counseling. To be noted, the seats offered by SVCE are filled up within first few days of counseling with significant cut-off marks. The remaining 50% seats are filled through management quota we are inviting the deserving candidates to apply for management quota as per the norms.

PLACEMENTS

Top Recruiters

SCHOLARSHIPS FOR STUDENTS

- Economic Means Scholarships
- Merit Cum Means Scholarships
- Merit Scholarships
- Sports Scholarships

STATE OF THE ART LABORATORIES

Interdisciplinary Centre for Nanotechnology

Industrial Automation Laboratory

Dedicated Computer Laboratory

WHY B.E. in EEE @ SVCE

Work in DST FIST sponsored Interdisciplinary Nano research centre

Accredited by NBA since April 2002=High Quality Education

Research centre recognized by Anna University, Chennai for Ph.D./M.S with effect from January 2006

Received over Rs.1.20 Crore as external research grants from DST, AICTE, IEIR&D in the last three years across various projects

Scope for specialization through subject choices via CBCS curriculum recommended by industry experts

Facility to train in industry sought after softwares like MATLAB, MagNet, Labview, PSpice, PSIM etc

Pursuing EEE @ SVCE paves the way to be placed in the emerging fields of Electrical vehicles ,Smart grids , Solar Energy systems , Wind Energy Systems etc

Well established reputation and respect of the department and the course both within India and abroad

Scope to pursue higher studies up to PhD level

High level of emphasis on industrial visits, internships and industry projects prepare the students industry ready.

VISIT TO ISRO-SRIHARIKOTA

ALUMNI IN INDUSTRY

- Power Grids – Melbourne
- Apple -Texas
- Amazon – Washington
- Goldman Sachs - New York
- Siemens – Pennsylvania
- Walmart-San Francisco
- PayPal-Greater Omaha
- Apollo Global Mgt Inc - Hong Kong
- MAXIMUS - British Columbia
- Boston Consulting Group – Pennsylvania

FACULTY DETAILS

There are 29 faculty members in the department, out of which 11 of them are PhD holders, 16 of them are pursuing their PhD

Professor & Head

Dr. K R. Santha M.E., Ph.D.

Professor

Dr. N. K. Mohanty M.E., Ph.D.

Dr. Sudhakar K Bharatan M.E., Ph.D.

Associate Professor

Dr. R Karthikeyan M.E., Ph.D.

Dr. S G Bharathidasan M.E., Ph.D.

Dr. C. Gopinath M.E., Ph.D.

Assistant Professor

Dr. R. Kannadasan M.E., Ph.D.

The Above faculty members are recognized supervisors by Anna university to guide Ph.D and M.S research scholars
