CORDIALLY INVITES YOU TO

**INFINITUS
2K22**

VENUE : VIDEO HALL

DATE : MARCH 14 - MARCH 18

REPORT

INFINITUS, a sophomore series conducted by EWB (Engineers Without Borders) – Student's Chapter, had unfurled the boundaries and extended new dimensions which were explored. EWB – Student Chapter which focuses predominantly on bringing out the talents possessed by students to help them nurture their skills had organised a 5-day (**14-2-2022 to 18-2-2022**) series of events which manifolded on themes that had tested students' analytical, oratorical, technical cognizance and brought them to the stage for them to express.

INFINITUS kickstarted with A Preliminary round named Quiz-a-Thon with a participation of **120 students** from various departments from which **50 students** qualified to participate in the next round.

On **14/03/2022** we had the inauguration of INFINITUS where the Rolling trophy was launched and Merger Mania started as 50 participants were separated into **5 teams** where each student received a word and they had to relate each word to the main word within a time of 2 minutes. The event concluded well and the next set of **30 participants** was selected from this event.

On **15/03/2022**, the Battle of Wits took place based on Block and Tackle, the 30 participants were teamed in a pair of two from which only one student was selected and proceeded to the next round. Students' communication and spontaneity were on display. The event was judged by Dr R Palani.

On **16/03/2022**, **Dramaketrix** based on Adzap. The **15 students** who were selected from the previous round took part in this. The participants were split into 3 groups of 5 to enact an advertisement together for a given product. Students who had exhibited their creativity and acting were qualified for the next round.

On **17/03/2022**, **Pitch Perfect** was conducted as in a debate scenario, where **10 students** qualified from the previous round had participated and split into **2 teams** with 5 in each. Only the team which were able to defend the notion were qualified for the next round. The students' debating skills were unveiled.

On **18/03/2022**, the event finale named **Strategica** took place where only **5 students** from the previous round were qualified and they turned out to be the finalists of INFINITUS. The event was based on strategic planning where each participant was provided with a company and had to convince to invest in their company. The event was filled with heated debates and fierce rounds of discussion. The winner turned out to be **Gokul Krishnan** from the Mechanical Department.

This was followed by the valedictory function, the chief guest for the event is **Dr. N. Meyyappan, Professor & Head**, Department of Chemical Engineering and the Finalists were provided with certificates of Appreciation. The winner was awarded a sum of INR 1000. The Rolling Trophy was awarded to the winner and will be passed on to the next year's winner. The entire event ended on a high note with everyone's active participation and support provided.

R. Palani

Faculty Advisor, EWB - SVCE
