2. Speaker Profile

Mr. Mohamed Sirajudeen received his Under-Graduation B. Tech (Information Technology) and Post-Graduation M.E (Computer Science and Engineering) from Anna University in the year 2013 and 2015 respectively. He has submitted his Ph.D. Thesis on “Improving the Security and Efficiency of Electronic Document Management System (E-DMS)” recently in Anna University, under the guidance of Dr.R.Anitha, Professor & HoD/CSE, Sri Venkateswara College of Engineering. His entire Ph.D. research work was sponsored by the Science and Engineering Research Board (SERB), Department of Science and Technology (DST), Government of India. He has two years of experience as a Junior Research Fellow and one year of experience as Senior Research Fellow in the DST-Cloud Research Lab, Sri Venkateswara College of Engineering, Chennai. His area of research is Cloud computing, Big data, Blockchain, and the Internet of Things. He has more than 20 quality research papers indexed in SCI, Web of Science, and Scopus.

While pursuing his Ph.D., he has guided several UG and PG students to participate in the international and national level hackathon competition and the students have won several prizes. In addition to it, he is personally training an 8th Standard CBSE student Mr. Nufail to participate in competitions conducted by the ISRO and NASA.

Apart from research activities, he is also a registered patent agent in the Indian Patent Office. Having a passion towards law, he appeared for the patent agent exam and cleared it in the year 2019. Currently, he is working as an Assistant Professor in the Department of Computer Science and Engineering, Vardhaman College of Engineering, Hyderabad.

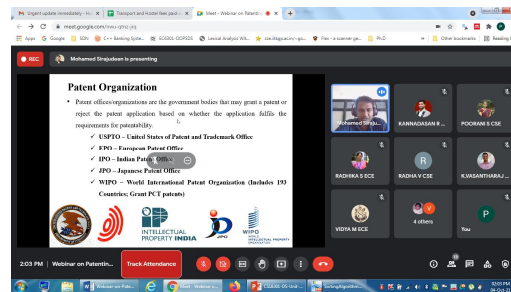

Being a teacher and a registered patent, he is guiding the faculty members, researchers, and students throughout the India to register Indian patents as well as international patents.

3. Event Details

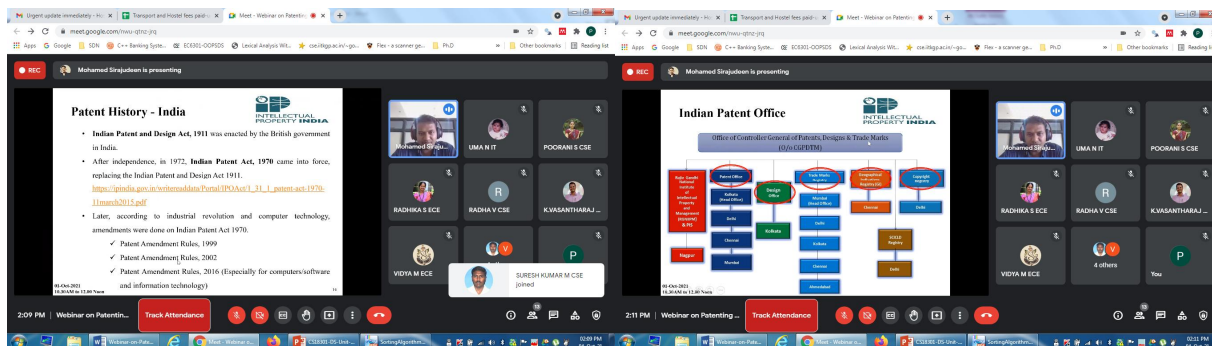

The event started with the welcome address given by Dr.R.Anitha, Professor and HoD/CSE. Dr.R.Anitha gave an introductory talk on the importance of Patents. The guest speaker was given a formal introduction by Ms.T.Padmavathy, Assistant Professor/CSE. With this note, the session was taken over by Mr.Mohammed Sirajudeen, Assistant Professor, Department of Computer Science and Engineering, Vardhaman College of Engineering, Hyderabad.

The speaker started the session with the importance of assets and how to safeguard them against various thefts. A clear definition and the difference between invention and discovery was stated by the speaker.

Various patent organizations to grant patent were discussed by the speaker, with a detailed talk on IPO(Indian Patent Organization) and IPA(Indian Patent Act-1970) and introduced the 163 patent rules under 24 various chapters. The various amendment rules were also discussed in detail, with the importance of Patent Amendment Rules, 2016(Especially for Computer Science).

The session continued by elaborating the steps and procedures involved in filing a patent.

The screenshot shows a webinar interface with two slides. The left slide is a flowchart titled "PATENT FILING PROCEDURE IN INDIA FLOWCHART" showing the process from filing to grant, with a 48-month timeline. The right slide is titled "Preliminaries – Understanding the Patent Act" and includes a link to the Indian Patent Act, 1970, and a diagram showing the timeline from application to grant, with a 34-37 year period.

The screenshot shows a webinar interface with a slide titled "Important Forms in Patent Filing". The slide lists five forms: Form 1 (Applicants/Inventors details), Form 2 (Description of an invention), Form 5 (Declaration Statement), Form 9 (Requisition for early publication), and Form 18A (Requisition for examination). Below the list is a table titled "Fees e-filing (INR)".

Document	Natural person(s) and/ or Startup	Small entity, alone or with natural person(s) and/ or Startup	Others, alone or with natural person(s) and/ or Startup and/ or small entity
Form 1	1600	4000	8000
Form 2	No Fee	No Fee	No Fee
Form 3	No Fee	No Fee	No Fee
Form 5	No Fee	No Fee	No Fee
Form 9 (Optional)	2500	6250	12500
Form 18	4000	10000	20000
Total	8100	20250	40500

The session ended with the Vote of Thanks by Ms.T.Padmavathy,AP/CS. All the participants who attended the webinar were provided with the Certificate of Participation.
