Report on Event

The event started with the Welcome Address by Dr. Anitha. HOD/CSE and also introduced the Speaker Dr. N. Rajganesh, Associate Professor/CSE, Sri Venkateswara College of Engineering.

The Speaker overviewed the history of programming from its scratch. He explained the various history of programming with the languages. The pros and cons of the programming languages with respect to the history is also discussed.

He explained about the application platform of the programming language. As an example, the speaker showed two application platforms (Java and .NET) in his lecture. Followed that, detailed view of the .NET Framework has been presented with examples. In addition to that, applications of .NET is also highlighted with suitable examples.

Finally, the session is ended with the scope for the programming languages with few evidences. The participants were raised their queries and the same has been addressed by the presenter.
