ROUND 1 – REPORT

DATE: 22.02.2022

DAY: TUESDAY

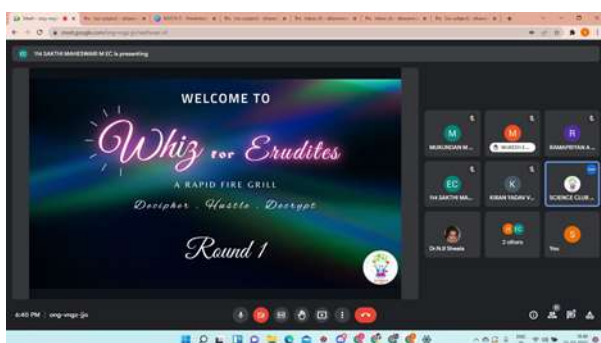

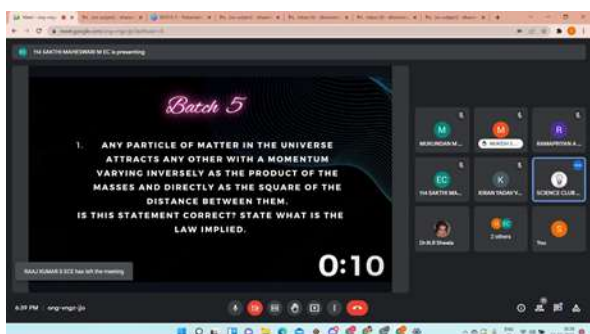

TIMING: 6.00 PM to 7.00 PM

VENUE: GOOGLE MEET

SYNOPSIS:

Participants were welcomed by the coordinators and instructions were given both orally and through presentation. It was conducted by dividing the teams into 5 batches and the respective coordinators were assigned for each batch. 5 google meet links were created for all 5 batches and were circulated to the participants. Members of every team joined the google meet for respective batches. Questions were presented by the coordinators and 12 seconds were given to answer each question. Questionnaire also contained descriptive questions for which the time limit has been extended to 15 seconds. Those who first clicked the raise hand option were given the first chance to answer and 10 points were given for correct answers. In case of wrong answers, the chance went to the second team who raised their hand and 5 points were given for correct answer and again in case of wrong answers, third team got the chance and 3 points were given. The participants actively participated in the event. The top 5 teams in each batch have been qualified for round 2.
