

FIRST EDITION Of iCUBE

Icube is the second event conducted by SVCE science club in collaboration with the STUDENT COUNCIL 2021. The SVCE Science Club was started by the institution with a purpose to cultivate an interest among the student community to acquire scientific knowledge. The club is an integration of three subjects, namely Physics, Chemistry and Mathematics. The Student Council is the apex student body for 4000+ students studying in SVCE. The Student Council oversees smooth conduct of college level events. Under the leadership of Mr. Harish Kumar N N and the mentoring of Prof. Ganesh Vaidyanathan, the Student Council has brought forward a number of initiatives, each empowering hundreds of student's.

The Inauguration started with an introduction and a warm welcome by the Joint Secretary of SVCE Science Club, Mr. Druv. After which a prayer song was sung by Sakthisri from the Chemical Engineering Department. Then Dr. N.R. Sheela, Faculty Coordinator of Science Club welcomed the principal of SVCE, Prof. S. Ganesh Vaidyanathan. He gave a different perspective over the title of the event and went ahead to explain his views on “ideate, innovate and investigate” - the motto of the event.

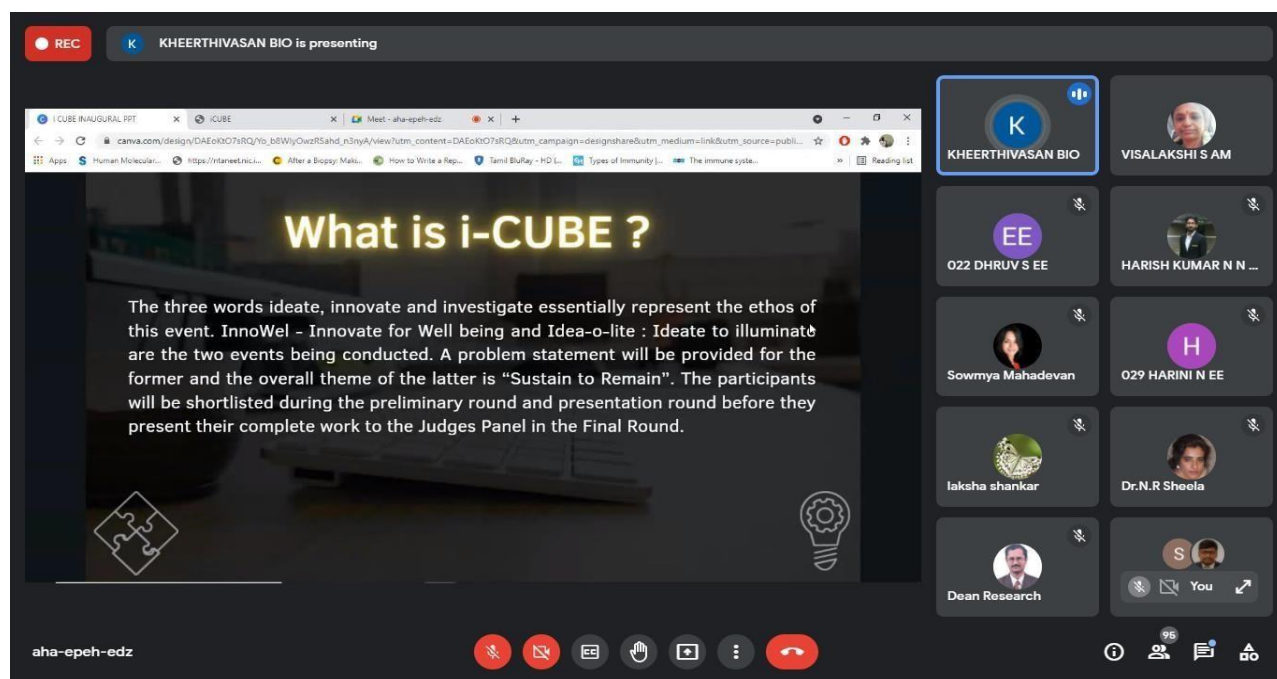

Then Mr. N N Harish Kumar, the President of Student Council 2021 gave a brief introduction about the Chief guest for the day, Ms. Sowmya Mahadevan, Chief Operating Officer, Exeter Premedia Services, Chennai, India.

She interacted with the audience to get their ideas on what an **idea** is and asked interesting questions that sparked out of the box thinking. She deeply discussed what ideate, innovate and investigate meant to her.

Then Mr. R. Kheerthivasan, President of SVCE science club gave a brief introduction about what the event I Cube is about and showed a live demo of how to access, download guidelines and register for the event using the Website <https://icube.pythonanywhere.com/#>

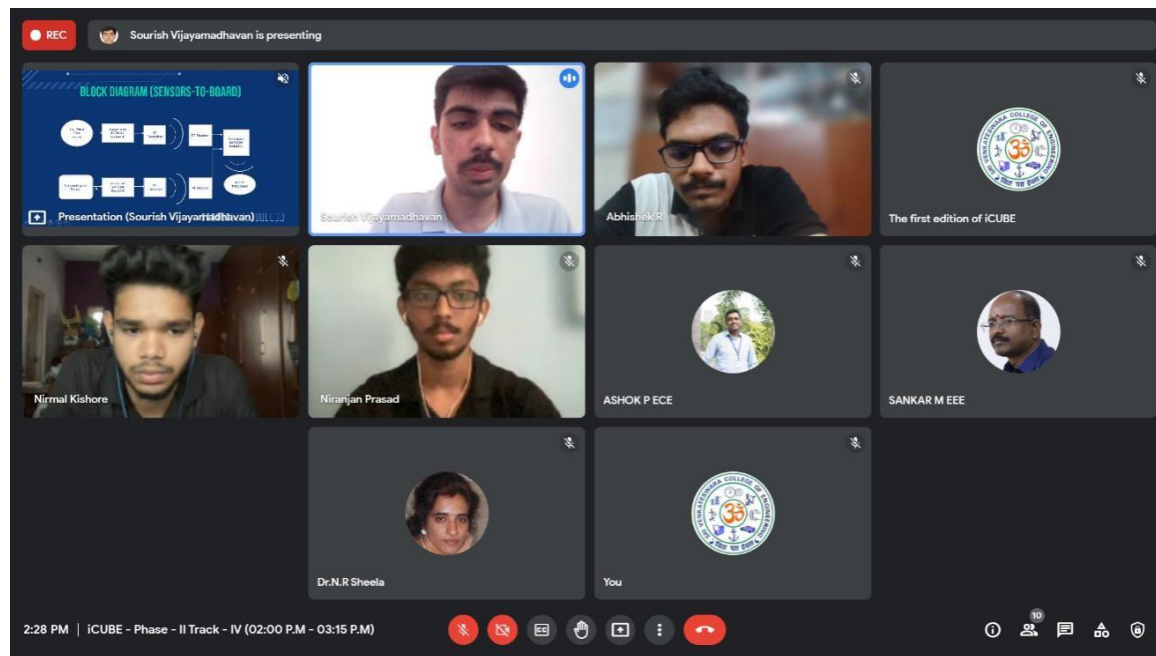

After which Dr. N R Sheela involved the audience for a feedback session in which Dr. R. Muthucumaraswamy, Dean(Research) & HOD/APM, HOD of IT department, Dr Badrinathan K S, Dean - Educational Development SVCE and many more encouraged the team and the idea of conducting such an event. Then an ending note was given by Ms. Laksha Shankar, Vice president, SVCE student council and the event came to an end with the national anthem sung by Ms. Sharon Monisha SVCE student.

PHASE-II

Phase II of iCUBE was held on September 19, 2021 from 9:30 AM to 3:30 PM. There was a total of four tracks segregated based on the department, each with its own Judging Panel and Event Coordinators. This round mainly focused on the novelty and feasibility of the proposed idea. Teams who participated in Innovel came up with a lot of innovative approaches for the given problem statements. Teams who participated in Idea-o-lite identified existing problems and crafted new and efficient solutions for the same. The participants were asked to give a brief presentation of their idea for 10 minutes followed by a Q & A session conducted by the Judging Panel.
