Upon that our valued speaker, delivered an insightful and thought-provoking session on career guidance for the students. During his address, he discussed the most prevalent technologies and opportunities, as well as the higher studies opportunities pertaining to each domain and also discussed the entrepreneurial qualifications and ideas. Furthermore, he spoke on the mindset behind becoming a corporate professional, discussing the benefits and drawbacks of the industry as well as tips on how to find chances from various angles. He provided us with in-depth understanding of the entire process of profile building, networking, internship opportunities and various career pathways. This speech provided a very clear picture and comprehension of each industry and how we can develop to obtain great heights in it. Then he also engaged the students with a live interaction about the various opportunities post the under graduation.

Ms. Keerthana J, Chairman of CSI, gave the valedictory address. She thanked the chief guest's efforts in delivering the thought-provoking discussion. She also expressed his gratitude to the management, CSI coordinators, Student council, Aspire mentors, various clubs' members and office bearers for helping to make the event a big success. The feedback forms were circulated and live feedbacks were obtained from the participants

The Outcome of the Program:

- The Aspire initiative was launched to aid our students in the perspectives of profile building, career advisory, higher education perspectives and employability pathways through the guidance of senior peers
- The speaker provided with experiences of his career development and various profile building techniques. The launch event offered insights to the skill competence and various career opportunities of several domains.
