[Signature]

[Signature]

WHEREAS:

- A) First Party is a Higher Educational Institution named:

Name of Institution: Sri Venkateswara College of Engineering, Sriperumbudur

SVCE is a unit of Sri Venkateswara Educational and Health Trust (SVEHT). The Trust was founded on 1 August 1985 at the behest and benign blessings of His Holiness Pujashree Kanchi Kamakoti Peedathipathi Sri Jayendra Saraswathi Swamigal. Dr. A. C. Muthiah, a renowned engineer, industrialist and philanthropist, is the Chairman of the Governing Council of the college. The college is in a 95 acre lush green Campus.

- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to co-operate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest.
- E) **M/s. TechApps Consulting, Chennai**

TechApps Consulting is the software distribution and training services company Infrastructure software products sales/training and support across India. Bentley BIM software academic training program from TechApps Consulting with the support of Bentley Systems with the world class access to Student Learning process and state of art training program to jumpstart students' talent pipeline. TechApps Consulting shall be responsible for installing/licensing Bentley Academic Subscriptions software products in all the computer machines in the CAD lab/faculty systems. TechApps shall support the execution by helping in setting up the laboratory, licensing support, installation support and providing training. Through Bentley STUDENT server, the students can utilize student home user licenses to practice the technologies 24/7. TechApps will coordinate with Bentley to issue "Course completion Certificate" to each of the students after completing the course successfully. TechApps shall assist the institution in every industry related coordination related to Bentley technology.

- F) **M/s. Bentley Education** is the global leader dedicated to providing architects, engineers, geospatial professionals, constructors, and owner-operators with comprehensive software solutions for sustaining infrastructure. Bentley's Academic Program provides educators with the resources to prepare students for careers with great companies. Students can gain a competitive edge in the classroom and with potential employers. In turn, infrastructure industry professionals can recruit qualified applicants and higher quality talent.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1: CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter

hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2: SCOPE OF THE MoU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry.

Both parties believe that close co-operation between the two would be of major benefit to the student community of **Civil Engineering** offered at SVCE to enhance their skills and knowledge.

- 2.2 **Training for Students:** Second Party will give training for the Civil Engineering students of the First Party for Bentley softwares' like Open Building Designer (BIM), STAAD.Pro, Open Roads ConceptStation available for academics from Bentley Education.
- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party will conduct a virtual internship program to give the students an experience of actually visiting an industry and getting trained using their technical resource. These virtual programs will reduce time, travel, cost and best option if students are asked to study online due to pandemic.

First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its softwares/ materials / live projects for the hands-on training of the learners enrolled with the First Party.

- 2.4 **Internships and Certifications:** Second Party will actively engage to

help the delivery of the Internship/ live projects and evaluate the students/ faculties to achieve the Bentley Education Certificates and Badges which will add value to their career and identify the skill set. The Second Party will

also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them

- 2.5 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario
- 2.6 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of Training, Education and Research
- 2.7 **Skill Development Programs:** Second Party to train the students of First Party on the technical knowledge through online/offline in order to bridge the skill gap and make them industry ready.
- 2.8 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in-house requirements.
- 2.9 **Faculty Development Programs:** Second Party to train the Faculty of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.10 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein.
- 2.11 There is no financial commitment on the part of the SVCE. First Party can take up any program mentioned in the MoU. If there is any financial consideration, it shall be subject to mutual prior written consent.

CLAUSE 3 INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MoU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY

- 4.1 This Agreement is valid for a period of one year with effect from date of signing of the agreement
- 4.2 Both Parties may terminate this MoU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.
- 4.3 **Scope of Engagement: Bentley Education**
 - Empowering SVCE with Bentley's Infrastructure solutions.
 - Providing its Bentley education software access to SVCE students/faculties/researchers via cloud
 - All certificate courses are delivered to SVCE from Bentley Education.
 - Virtual sessions and Webinars on topics of concern whenever necessary.
 - All the courses conducted by the service partner (TechApps Consulting, curriculum/syllabus are authorized and approved by Bentley Education.
 - Technical resources associated for the respective software training shall be provided by the service partner and not by Bentley Education.

CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MoU as independent contractors, and the relationship established under this MoU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party,

without the prior written consent of the other Party.

Neither Party shall have, nor represent itself as having, any authority under the terms of this MoU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at Chennai. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of **Name of City: Chennai**
