

### Details of Students Publication in 2019-2020

S.No	Name	Title of the Paper	Journal/Conference Name	Year
1.	N.V.Laxmi Narayen	Design of Conformal Antenna	i-manager's Journal on Electronics Engineering (JELE), vol.9, issue4, pp.25-31 ISSN Print: 2229-7286, ISSN Online: 2249-0760	June-August'2019.
	G.Lokeshwaran			
	K.S.Murugan			
2.	S.Saravana Yogesh	Design of Metasurface Wide Band Antenna for C Band Applications Applications	International Journal of Scientific Research and Review, ISSN NO: 2279-543X, pp.1278-1286, Volume 8, Issue 6.	Jun 2019
	Z. Sheikh Nizamudeen			
	R. Rajashekhar			
3.	Sathya Priya M. S	Smart parking guidance system	International Research Journal of Engineering and Technology (IRJET), e-ISSN: 2395-0056, p-ISSN: 2395-0072, Volume: 07 Issue: 04   Apr 2020	April 2020
4.	V. Priyadarshini	Application and Analysis of Approximate Bus and Shift-Invert Encoding Technique for Image Data Transfer over Serial Bus	International Journal for Research in Applied Science and Engineering Technology, Volume 8, Issue V, ISSN: 2321- 9653	May 2020
5.	Komathi Dhavena.M	Design and Implementation of Spatial Modulation Technique For 5G Wireless Networks	International Research Journal of Engineering and Technology (IRJET), e-ISSN: 2395-0056 , p-ISSN: 2395-0072 , pp 4586 - 4591, Volume: 07 Issue: 05 , May 2020	May 2020
