CIVIL ENGINEERING ASSOCIATION

Civil Engineering Association (CEA) has been actively organizing various programs like symposium, workshops, seminars, guest lectures, technical quiz, etc for the students, throughout the year. With students and faculty as its members, the CEA is one of the most active associations in SVCE.

The association comprises of office bearers holding various portfolios like President, Treasurer, General Secretary, Joint Secretary, Senior Executive Members, and Junior Executive Members All the office bearers are elected every academic year by conducting election among the students.

CEA starts its activities with an inauguration at the beginning of the semester followed by conducting various events throughout the year. Through the activities organized by the CEA, students will upgrade their technical knowledge. Office bearers will get an opportunity to enhance their leadership qualities and team work spirit by coordinating various programs organized through CEA.
