SVCE CyberHub is a student run community that ensures you get knowledge in the field of Networking and Cyber Security. We provide a platform to share knowledge through various means and help beginners by providing career guidance and a road map to the world of cybersecurity.

SVCE Cyberhub has organized its first offline inauguration for the year 2022- 2023 on 10<sup>th</sup> November 2022.

SVCE Cyber Hub has organized its first offline inauguration for the year 2022- 2023 on 10th November 2022. This club was founded in 2020. The chief guest for the event was our very own alumni and founder of Cyberhub Mr. Rakesh Elamaran. He is a Security Analysts in Temenos. He addressed the topic “Basics of Cybersecurity”. He emphasized the need for cyber security and how it can shape the future. He encouraged all the students to know about this upcoming field. The other Chief Guest was Mr.Gopalsamy Rajendran who is a Senior Security Engineer in Accubits Technologies Inc and he addressed the topic “Intricacies of Blockchain Security”.

He gave a detailed presentation on this "INSERT ABOUT THE TOPIC". The students eagerly asked questions and our chief guests shared their experiences in this field. The event started with a prayer song and light lamp ceremony by our chief guests which was followed by the welcome address speech given by Mahima. Then the Previous year's report was presented by the Vice President of Cyberhub Club Ishwarya.R.

The report included the following events conducted by the CyberHub club: CYBER-NAR, QUIZBOX and TECH TALK.

The HOD of CSE Department was called upon to address the gathering. The chief guests was introduced by our faculty in charge Mr.Suresh Kumar.M and Mr.Lakshmanan. The introduction was succeeded by an investiture ceremony.

Our chief guests gave the badges to all the office bearers of the SVCE CyberHub club.
