Decode Your Future – Programme

Date : 18.07.2020, Saturday   Time: 11.00 AM– 1.00 PM

1. Welcome address by **Dr. R. Anitha, HoD / CSE**

2. Chief Guest Introduction by **Dr. R. Anitha, HoD / CSE**

3. **"Better Opportunities and SVCE " - Mr. Arvind B Iyer, Principal Consultant, Maxceive Systems, USA, Alumni 1992 Batch CSE**

4. Chief Guest Introduction by **Dr. J. M. Gnanasekar Prof. / CSE**

5. **"Career Perspectives in the World of Computing" - Dr. V. Masilamani,** Associate Professor, Department of CSE, IIIT D & M, Kanchipuram

6. Chief Guest Introduction by **Ms.. K Kiruthika Devi, AP / CSE**

7. **"Career Opportunities and SVCE" – Mr. S Lakshmanan,** Senior Cloud Engineer and Architect, Cincinnati Bell Technology Solutions, Chennai

8. Mr. Sathvk

9. Chief Guest Introduction by **Dr. V. Vidhya, HoD / IT**

10. **"Industry Needs in the Field of Computer and Information" – Mr. T Srinivasan, Founder & CEO, Glosys Technology Solutions Pvt. Ltd., Chennai**

11. Q & A Session

12. About CSE / AI & DS - **Dr. R. Anitha, HoD / CS**

13. About IT- **Dr. V. Vidhya, HoD / IT**

14. Vote of Thanks – **Dr. V. Vidhya , HoD / IT**

15. Feedback and E-Certificate

Convener	Coordinators
Dr. R. Anitha, HoD / CSE	Dr. P. Janarthanan, ASP/CSE

REPORT

WEBINAR ON DECODE YOUR FUTURE

Date: 18.07.2020   **Time:** 11.00 am to 1.45 pm

Resource Person 1: Mr Arvind B Iyer,

Principal Consultant, Maxceive Sytems,USA

Alumni 1992 BatchCSE

Resource Person 2: Dr V.Masilamani,

Associate Professor,

Department of Computer Science,

IIITDM,Kancheepuram

Resource Person 3: Mr S.Lakshmanan,

Senior Cloud Engineer & Architect,

Cincinnati Bell Technology Solutions,

Chennai.

Resource Person 4: Mr T.Srinivasan,

Founder & CEO,

Glosys Technology Pvt.Ltd,

Chennai.

Objectives:

- Understand the programmes offered by INT & CSE.
- Discover the opportunities in SVCE.
- Know about the career opportunities in INT/CSE/AI & Data Science.
- Explore the industry needs in the field of Computer and Information.

About the programme:

The Department of,Information Technology,computer Science & Engineering & AI & Data Science together conducted a webinar on "**Decode your Future**" on July 18th, 2020. Dr. V.Vidhya, HoD/INT, Dr R.Anitha HoD/CSE ,students, parents and Faculty members of SVCE participated in the webinar. The webinar started with the welcome address by Dr R.Anitha,HoD/CSE. She welcomed the participants for the webinar of SVCE's Pathways"Decode your Future". She stated that the objective of the programme is to make the participants aware of the programmes(CSE/INT /AI & Data Science)offered by Sri Venkateswara College of Engineering.The first resource person of the webinar , Mr Arvind Iyer was introduced by Dr R.Anitha,HoD/CSE. Mr Arvind Iyer briefed about how the technology industry such as Reliance,Airtel is growing. He then explained about Next Gen Technologies such as Bitcoin using Blockchain, supply chain etc.He then concluded his talk on Technology career challenges and how to obtain success in our career .

Followed by this ,Dr R.Anitha,HoD/CSE gave a small presentation about the department of computer science to the participants.She started with explaining the vision and then focused on the lab facilities,funded research labs in Computer science department. She then explained about the technologies focused by the computer science department and the UG courses offered. She explained about the financial,research & career support provided to the students. She then explained about the alumni association and how alumni help the departments .The common facilities such as sports and hostel were also briefed at the end.

Dr V.Vidhya,HoD/INT gave a presentation about the department of Information technology to the participants. She stated that SVCE is the pioneer in introducing the Information Technology in 1996.She explained why Information technology @SVCE by briefing about the infrastructure which includes the various laboratories (IOT,Graphics and Multimedia,System Software & Networks), courses offered, placement opportunities and the companies ,various scholarships offered for the benefit of students. She then explained about the MOUs signed with companies . She highlighted about the achievements by the students of IT in developing mobile APP "SVCEPRO" which provides access for learning material , Mobile Apps developed for the police department, monitoring sparrows. About the research she highlighted about the grants and the patent. She explained about the Technical clubs available for the students in SVCE such as AIT,CSI, IEEE etc..

The second resource person of the webinar,Dr V.Masilamani was introduced by Dr J.M.Gnanasekar. Dr V.Masilamani started his speech about career perspectives in the world of computing. He said why IT & CS by listing the top ten billionaires are the people who run IT and CS companies. He figured out the Median Annual salary for job categories in IT and CS field.He then explained about the opportunities in data science. He also explained about the demand Vs supply for IT and computer science fields. He then highlighted

about the job openings for the IT,CS fields.He finally concluded by presenting the inclination rate which is high for digital forensics and AI in the future.

The third resource person of the webinar, Mr Lakshmanan suresh , IT alumnus(2014 Batch) was introduced by Ms K.Kiruthika Devi,AP/INT. Mr Lakshmanan Suresh started his speech about IT advancements in the world and the elements of Information system. He explored the various fields of Information Technology such as telecommunication, Health Care, Mobile Banking,Autombile and gaming. He emphasized that in todays world IT plays the major role in all domains.

Ms Adela Florence and Mr Abishaik Mohan alumnus of Computer science department shared a few words about how svce helped them in their carrer.

The fourth resource person, Mr T.Srinivasan was introduced by Dr V.Vidhya,HoD/INT. Mr T.Srinivasan emphasized on the wonderful skills (technology and tools) for acquiring jobs in IT and CS. He spoke a few word about the IOT, embedded system and the career opportunities in this field.He ended his speech on highlighting that one must develop a number of skills for satisfying the industry needs in the field of computer and information . Overall the session was insightful and useful for the participants.

The questions raised by the participants were answered by the speakers and HOD/INT and HOD/CS.

The webinar came to an end with the Vote of Thanks by Dr V.Vidhya, HoD/INT. She thanked the management for allowing to organize this webinar and the speaker for giving a clear view about the computer science, Information Technology and AI & Data Science. She finally thanked all the participants for their active participation.

Benefits:

- A clear understanding of the career opportunities in SVCE .

- Knowledge on Technology and tools for acquiring jobs in IT and CS.

- Understanding about the job openings for IT and CS in various domains.
Coordinators

Ms. K.Kiruthika Devi, Assistant Professor, Information Technology

Dr P.Janarthanan,Associate Professor,Computer Science

Ms N.Rajeswari,Associate Professor,Computer Science

Ms T.Padmavathy,Assistant Professor,Computer Science
