Report on 02/02/2022

Date: 29/01/2022

Time: 4.30 PM

Objectives :

- To motivate the students for the participation in Hackathon, Coding events, Conferences, etc.,
- To know about emerging softwares currently used by the IT companies
- To improve their programming skills for placements
- To develop their knowledge about the coding development side in IT industries.

About the programme :

The event started with the Welcome Address by Mr. P. Selvamani AP/CSE introduced the Guest Speakers Mr. Tirumala Babu (CSE 2021 Batch), Software Engineer , Tiger Analytics, Chennai, Mr. Rasswanth, Software Engineer (CSE 2021 Batch), PropertyLoop, London.

After the welcome address, the session was handed over to the speakers. The Speakers briefed on the importance in developer Jobs. They explained about the various fields such as hackathon participation, current industry expectations, recent emerging trend softwares, certification courses etc., Then, at the end of session the speakers clarified the participants doubts.

The Vote of Thanks was presented by Ms. P. Vinothiyalakshmi AP/CSE. Then the event has ended successfully.

Outcomes :

- The students learned the skills to participate in Hackathon, Coding events, Conferences, etc.,
- The participants were able to expand their knowledge about emerging softwares currently used by the IT companies.
- The participants were able to strengthen their programming skills for placements.
- The participants learned to develop their knowledge about the coding development side in IT industries.
