“Crime against Women and Children & Cyber Crime Awareness” -

07/02/2023

A special talk on "**Crime against Women and Children & Cyber Crime Awareness**" was organized by the WEC-SVCE on February 7, 2023. Both Mr. R. Chandrasekaran, ADSP, and Mr. M. Rajagopal, inspector, Cyber Crime, Kancheepuram, Tamilnadu police, presided over the event. A total of around 160 female faculty members and I and III year girl students attended and profited from the event.

The event took place in the Function Hall in the SVCE campus. The event began at 11:30 AM. Ms. Vasantha, a third-year IT student, welcomed the attendees. The program started with the prayer song. The event was presided over by Dr. KR.Santha, Vice-Principal, HoD of Electrical and Electronics Engineering department and the WEC Chairperson. She addressed the gathering about the WEC cell's operation and the safety of women. She gave a brief introduction of the speaker.

Mr. R. Chandrasekaran, ADSP, TN police outlined the roles and responsibilities of cybercrime division of TN police. He cited a few recent incidents happened in this region to highlight his point. His speech revealed the audacity of women in dire circumstances.

Cybercrimes in social media and online transactions were discussed by Mr. John Albert N. C. He goes into detail regarding the effects of cyberattacks and how to address or prevent such crimes. Mr. M. Rajagopal, the Inspector, provided the website and phone number for reporting cybercrime and issues relating to women's safety.

Students actively participated in the lecture, which was quite dynamic. A vote of appreciation was given by Ms. Akshara, a third-year IT student and WEC representative, to conclude the occasion.

WEC Chairperson,
Dr. KR. Santha.
