Dear Sir/Madam,

We are cordially inviting you all for a guest lecture titled "Full Stack Development" Organized by AIT of Information Technology on 10th March 2023. Herewith attached the AIT Invitation for your kind reference.

Date :10/03/2023

Venue:Bio-Tech Conference Hall

Time :1.30 pm

Thanks & Regards,

Dr.V.M.Sivagami & A.Thiyagarajan,

**SRI VENKATESWARA COLLEGE OF ENGINEERING
PENNALUR, SRIPERUMBUDUR-602117**

REPORT ON FULL STACK DEVELOPMENT

Guest Lecture Details:

1. Resource Person : **Mr. S. Aravind Guruswamy**
2. Target Audience : II & III year & UG students of IT
3. Venue : Bio-Tech Conference Hall, SVCE
4. Date & Time : 10.03.2023, 1:30 P.M.

Objectives:

- Basic understanding on the topic “Full stack development”.
- To understand the importance of Full stack development and the ways in which it can be implemented.
- To know the different job prospective in the field and motivated them to learn about the field.

About the programme:

The Department of Information Technology organized a Guest Lecture on “Full stack development” on 10th March 2023. About 88 participants attended the guest lecture and the programme highlighted the importance of Full Stack Development. Welcome address was given by Dr.V.M.Sivagami, Professor, Department of Information Technology. Followed by Dr.T. Sukumar, Assistant Head of the Department, Information Technology gave an introductory talk emphasizing the importance of the guest lecture. Introduction about chief guest was given by Ms. S. Jerusha, Assistant Professor Department of Information Technology. Faculties and students from the Department of Information Technology actively participated in this guest lecture and got benefited from the programme.

Mr. Aravind Guruswamy started the lecture by explaining about Full stack development and the importance of it in different sectors. He also briefed about the different flavours of full stack development. Mr. Aravind Guruswamy gave relevant examples and trending technologies in full stack development.

The speaker emphasized the need to learn full stack development and the various job roles that students can look for in this domain.

The speaker also suggested popular frameworks which could provide an edge to the students when added to their resumes.

The speaker spoke about the future scope of this field and the possible work profiles that students can have in this domain.

The speaker finished the lecture by giving suggestions and tips on how to prepare for the placements and the kind of questions being asked by the HR in the interview.

The guest lecture proved to be useful for the audience. The participants got benefited from it. The session came to an end. Finally, Mr. M. M. Vivekanand Pandian, Executive member of AIT, II year IT B, delivered the vote of thanks.

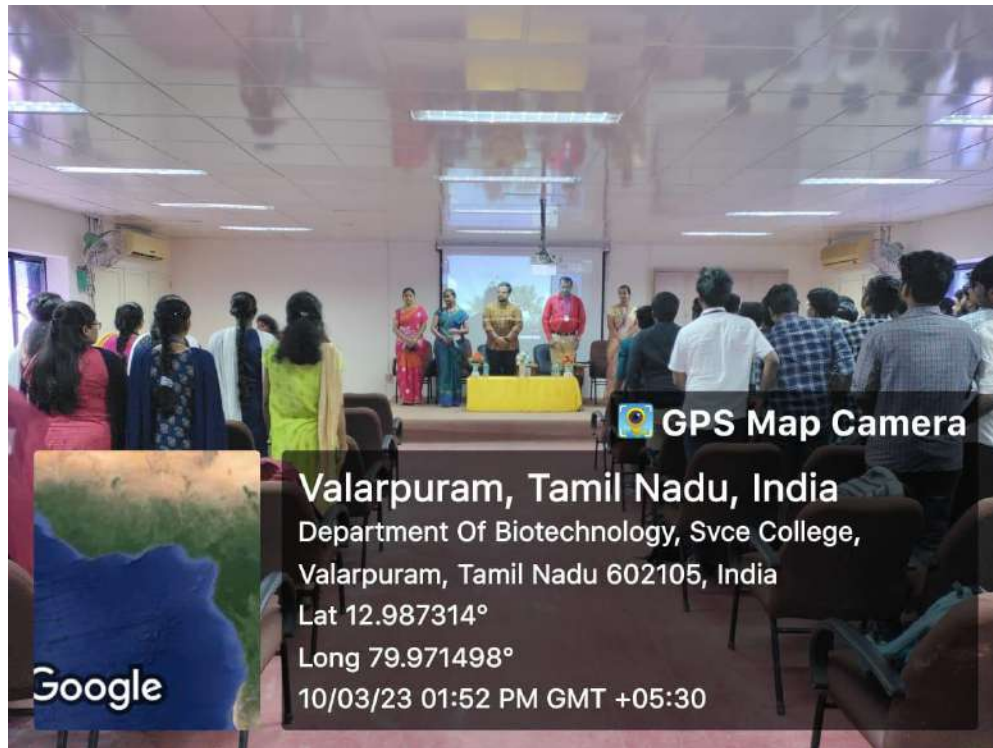

Outcomes:

Participants were benefited and gained knowledge on,

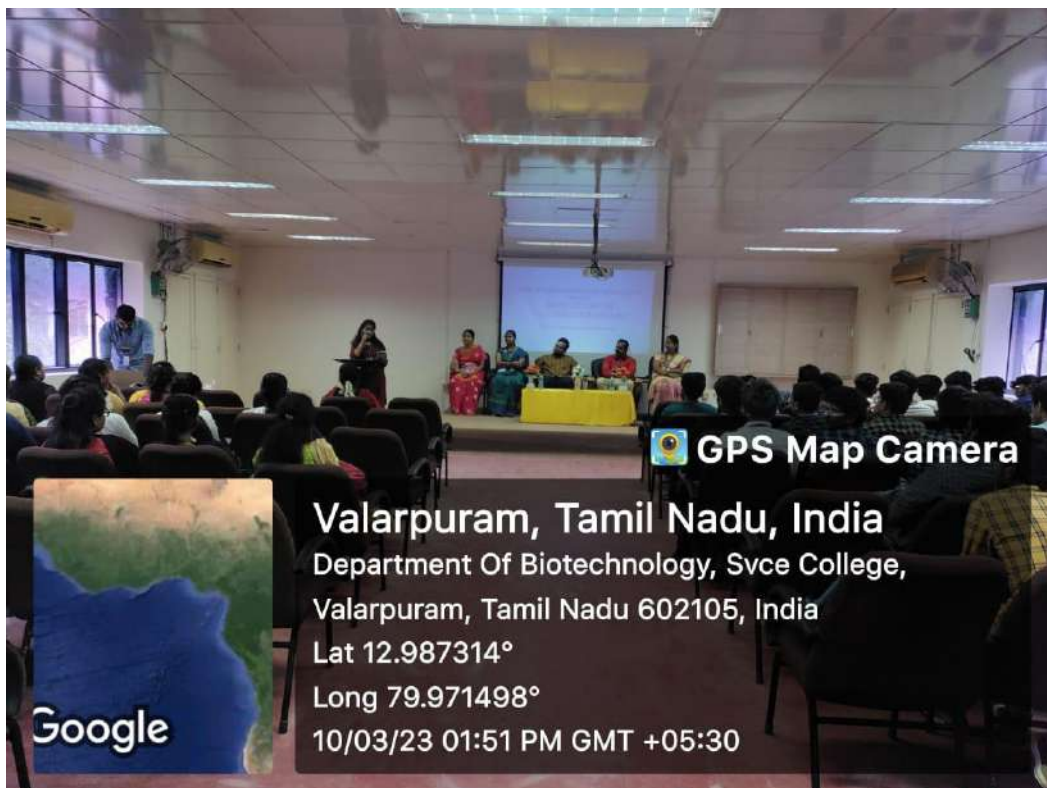

- Full stack development.
- Students were able to understand various frameworks.
- To build dynamic web pages using client and server side programming.
- To understand the future scope and various job prospective in this domain.

PROFILE OF THE CHIEF GUEST

MR. S. ARAVIND GURUSWAMY

Alumnus (2011 – 2015)

Mr. S. Aravind Guruswamy is a Senior Software Engineer from NielsenIQ. He has completed his Bachelor of Technology in Information Technology Department, SVCE. He is a strong Engineering professional who completed his Masters in Technology from BITS Pilani, Rajasthan.

Mr. S. Aravind Guruswamy is an experienced senior full stack software engineer with demonstrated history of working in software product research and development industry.

He worked in various MNC companies, acted as visiting lecturer and also his having an excellent skill sets including NodeJS, Java Spring boot, EJB, Struts, AngularJS, MVC, Enterprise architecting, Azure services, Elastic stack, Agile etc.

He received various awards like Ericsson Key Contributor CEO Award, Rockstar Award from Ericsson in the year of 2018 and 2019.

10 March 2023

To

Mr.S.Aravind Guruswamy,

Senior Software Engineer,

Nielson IQ,

Chennai

Dear Sir,

Subject: Invitation – Chief Guest for Guest Lecture on “Full Stack Development”- reg.

At the outset, we would like to thank you for your graceful acceptance of our invitation to deliver Guest Lecture on “Full Stack Development” on 10th March 2023, 1.30 PM onwards.

Department of IT engages in several activities like Workshops, Expert Lectures, Symposia and Industrial visits aimed to benefit our students and faculty members. These activities equip them to sharpen their technical skills and create awareness & bonding among our students.

Department of IT looks forward to your presence amongst our faculty members and students for sharing your valuable thoughts and advice on the above topic which will definitely enrich their knowledge.

We thank you once again for accepting our invitation. We are eagerly awaiting for your interaction among our students and our faculty members with your expertise.

Thank you.

Yours sincerely,

(Dr. V. Vidhya)

FEEDBACK - INPLANT TRAINING / SHORT TERM COURSE

Name of the Student	C.R. Barathraj
Branch/Semester/Section/Roll No.	INT / II / A / 18
Industry/ Institution Visited	SVCE
Duration of Training/ Course with date	10.03.2023/ 1:30 pm to 3:00 pm Guest Lecture on "Full stack development"
Plants visited during training	NA
Whether the training/Course was useful? In what way? Give reasons.	It was a eye opening guest lecture, with in-depth information about full stack development.
Any other suggestions	Requesting to arrange more guest lecture in various domains. R. Barathraj Signature

The person who has attended the course should prepare this in triplicate and submit copies to:
A2, A3 and Dept.

SRI VENKATESWARA COLLEGE OF ENGINEERING

FEEDBACK - INPLANT TRAINING / SHORT TERM COURSE

Name of the Student	Bolleneni Manogna
Branch/Semester/Section/Roll No.	INT / VI / A / 212200801018
Industry/ Institution Visited	SVCE
Duration of Training/ Course with date	10.03.2023/ 1:30 pm to 3:00 pm Guest Lecture on "Full stack development"
Plants visited during training	NA
Whether the training/Course was useful? In what way? Give reasons.	Yes, it was useful for us to learn about technologies like Blob storage, Jms, version control, etc.
Any other suggestions	Everything went well and good, nothing to be changed. B. Manogna Signature

The person who has attended the course should prepare this in triplicate and submit copies to:
A2, A3 and Dept.
