PENNALUR, SRIPERUMBUDUR-602117**

REPORT ON EXPLORING CLOUD TECHNOLOGIES

Guest Lecture Details:

1. Resource Person : **Mr. Rahul Somasundaram**
2. Target Audience : II & III year & UG students of IT
3. Venue : Video Hall, SVCE
4. Date & Time : 06.04.2023, 9.00AM.

Objectives:

- Understanding on the topic “Cloud Computing and its Diverse Technology”.
- To understand the importance of cloud Computing and the ways in which it can be implemented.
- To know the different job prospective in the field and motivated them to learn about the field.

About the programme:

The Department of Information Technology organized a Workshop on “Exploring Cloud Technologies” on 6th April 2023. About 108 participants attended the workshop and the programme highlighted the importance of Cloud Technologies. Welcome address was given by Dr.V.M.Sivagami, Professor, Department of Information Technology. Followed by Dr.V. Vidhya, Head of the Department, Information Technology gave an introductory talk emphasizing the importance of the workshop. Introduction about chief guest was given by Ms. K. Sowndariya, Executive member of AIT. Faculties and students from the Department of Information Technology actively participated in this workshop and got benefited from the programme.

Mr. Rahul Somasundaram started the lecture by explaining about cloud computing basics and the importance of it in different sectors. He explained the networking basics and virtualization technology. He also briefed about the various cloud service providers and services. Mr. Rahul Somasundaram gave relevant examples and trending technologies in cloud.

The speaker highlighted the cloud computing development and the various job opportunities that students can look for in this domain.

He gave complete practical session on how to implement the application in the cloud and access the cloud service.

The speaker spoke about the future scope of this field and the possible work profiles that students can have in this domain.

The workshop proved to be useful for the audience. The participants got benefited from it. The session came to an end. Finally, Dr. N. Gobalakrishnan, Associate professor, IT delivered the vote of thanks.

Outcomes:

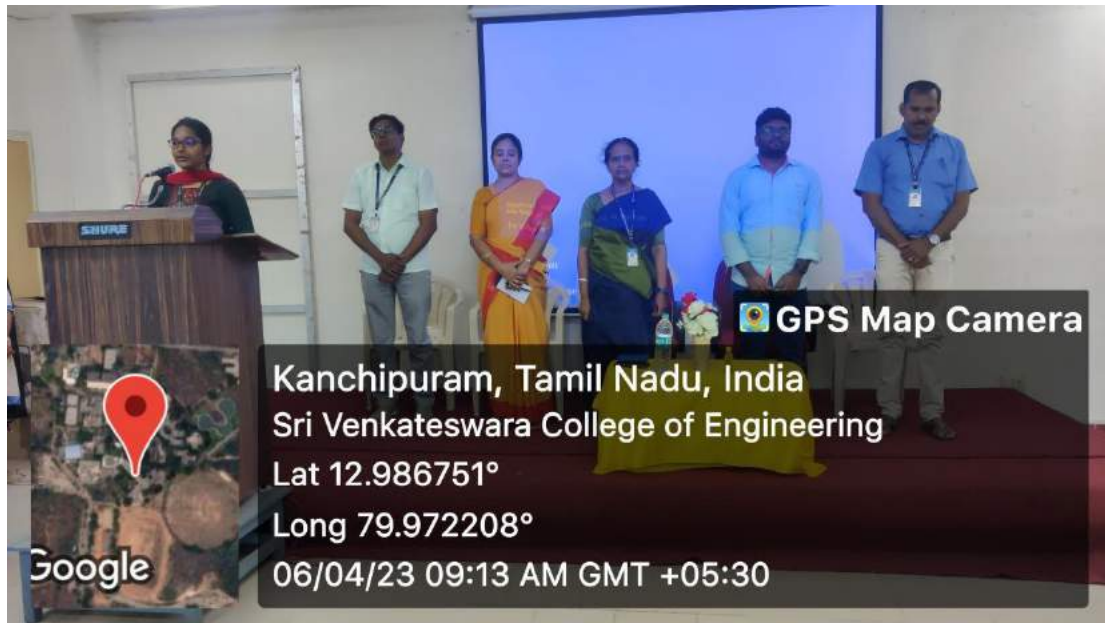

Participants were benefited and gained knowledge on,

- Assess the cloud computing technology paradigms and various services on cloud.
- Explore the various cloud service providers environment.
- Elaborated the future scope and various job prospective in this domain.

PROFILE OF THE CHIEF GUEST

Mr.Rahul Somasundaram

Alumnus (2013 – 2017)

Mr. Rahul Somasundaram is a Senior Software Engineer from Checkpoint System, Bangalore. He has completed his Bachelor of Technology in Information Technology Department, SVCE.

Mr. Rahul Somasundaram is an experienced senior Software Engineer with demonstrated history of working in various Cloud service provider platform.

He worked in GOFRUGAL Technologies Pvt Ltd company, acted as Senior member Technical Staff. Mr. Rahul Somasundaram having an excellent skill sets including Configure and Manage Azure Kubernetes Service Cluster, Continuous deployment using ArgoCD, Go (Programming Language), MongoDB, Ansible ,Terraform, Docker · Continuous Integration and Continuous Delivery (CI/CD) Agile etc.

SRI VENKATESWARA COLLEGE OF ENGINEERING
FEEDBACK FROM THE SPEAKER - GUEST LECTURE

DEPARTMENT : INFORMATION TECHNOLOGY.

Name of the Speaker	: Mr Rahul Somasundaram.
Designation	: Senior Software Engineer.
Institution/University/Organisation	: Checkpoint Systems, Bengaluru.
Mobile / E-mail	: +91-7010651264
Title of the Lecture	: Exploring Cloud Technologies
Date	: 06.04.2023.
Time	: 9.00 AM.
Venue	: Video Hall.
Comments by the Speaker	: It has been a good interaction with the students, specially from the place where I used to sit. Students here has better exposure than us. The more students interactions is good. It could be better. Hoping for another opportunity to interact with the students.
Suggestions for improvement	: —
