DEPARTMENT OF INFORMATION TECHNOLOGY

Online Workshop on Google Workspace

A Report

Objectives:

- ❖ To understand the Basic of Google Workspace
- ❖ To learn how to formulate Google sheets
- ❖ To demonstrate Google docs and Google sheets
- ❖ To demonstrate real-time use of Google forms
- ❖ To design certificate using online tools

About the programme:

The Department of Information Technology organised a 5 days online workshop on “Google Workspace” from 24/04/23 to 28/04/23.

The Inauguration of the program started with a prayer song rendered by S. Aiswaraya from III Yr IT-A and Ms. M. Sugacini, Assistant Professor, Department of Information Technology welcomed the Chief Guest and all the participants. The welcome address was delivered by Dr. T. Sukumar, Assistant Head of the Department, Department of Information Technology. He addressed the gathering by giving an introductory note about the program and emphasized the importance of the Google platform in the academic perspective. He motivated the participants and highlighted the purpose of organizing such a program.

On Day one, the session on “introduction of Google workspace” was handled by Ms. N. Uma, Assistant Professor, Department of Information Technology. The session

opened with an Introduction of Google workspace and she explained the basic features and applications. The working of the applications illustrated with real time scenarios.

The Second day session was handled by Ms. A. Indumathi, Associate Professor, Department of Information Technology. She delivered a talk on Google Sheets. The session started with introduction of Google Sheets and she illustrated how to formulate in Google sheets.

The third day session handled by Ms. S. Kavishree Assistant Professor, Department of Information Technology. She delivered a talk on Google docs. She highlighted concepts of Google docs and also elaborated the Google slides and its use

The fourth day session was handled by Mr. V. Ranjith Assistant Professor, Department of Information Technology, His session was about How to design Google forms and also he briefed about proctor provisions in form.

The fifth day session was handled by Mr. S. Ananda Babu Assistant Professor, Department of Applied Chemistry. In the session, he explained about how to design a certificate using online tools. He gave some sample certificates to the participants to practice in the online tools.

The session then moved towards the end of the workshop. The Valedictory function was presided over by Dr. T. Sukumar, Assistant Head of the Department, Department of Information Technology. He shared his experience while working with Google Workspace in the activity related to academic. Ms. N. Uma, Assistant Professor, the Program Coordinator summarized the program and delivered the vote of thanks. Before the end of the program, few participants came forward and very well appreciated the conduct of the program and the benefits acquired from the Google Workspace Workshop. They said that the lecture sessions and the practical sessions

were very much useful and was a good motivation for them. On the whole the program was well appreciated by the participants.

OUTCOMES:

- ❖ Understand the Basic of Google Workspace
- ❖ Learn how to formulate Google sheets
- ❖ Proficient in Google docs and Google sheets
- ❖ Demonstrate real-time use of Google forms
- ❖ Learn to design certificate using online tools

A screenshot of a Google Meet session. The main window displays a Google Sheet titled 'workspace' with a pivot table. The pivot table shows data for 'Assignment 1' and 'Assignment 2' across various quarters. The 'Settings' panel on the right is open, showing options for 'Required fields' and 'Optional fields'. The meeting interface includes a grid of participant avatars on the right, with 'INDUMATHI A' highlighted. The bottom status bar shows the time as 11:48 AM and the meeting ID 'sph-yssx-nzt'.

INTRODUCTION TO GOOGLE SHEET

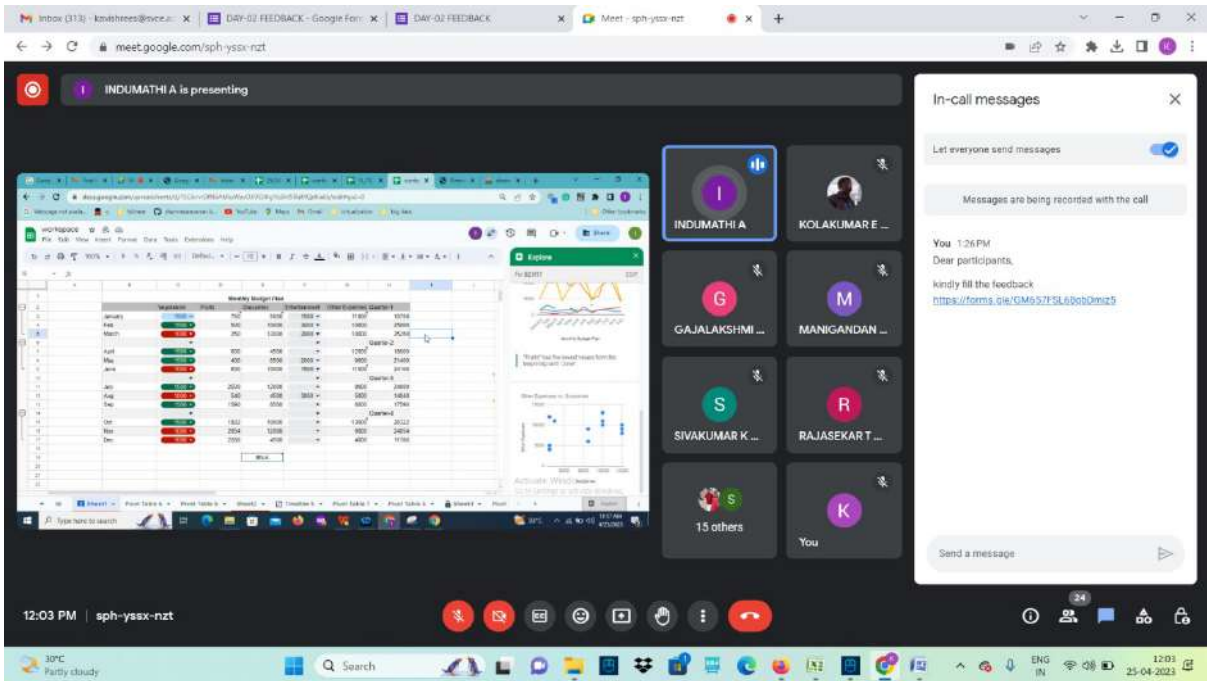

A screenshot of a Google Meet session. The main window displays a Google Sheet titled 'workspace' with a table of 'Year Sales' data. The table has columns for 'Date', 'Region', and 'Sales'. The data includes entries for various dates and regions like 'West', 'South', and 'East'. The meeting interface includes a grid of participant avatars on the right, with 'INDUMATHI A' highlighted. The bottom status bar shows the time as 11:46 AM and the meeting ID 'sph-yssx-nzt'.

DAY-05

The screenshot shows a Google Meet window with a presentation slide. The slide is titled "05 Challenges in Online Certificate Distribution" and contains the following text:

Despite the benefits of online certificate distribution, there are some challenges that must be addressed.

- One challenge is ensuring that recipients have access to the necessary technology and internet connection to receive and view their certificates. This can be particularly challenging in rural or low-income areas.
- Another challenge is the potential for technical issues or errors in the distribution process. It is important to have proper support and resources in place to address any issues that may arise.

A notification at the bottom of the slide reads: "NAVEEN KUMAR v IT has left the meeting". The meeting interface shows a grid of participants on the right, including ANANDA BABU S ACH, JANANI S CSE, T.PADMAVATHY, KOLAKUMAR E Mar, MANIGANDAN S IT, GAJALAKSHMI A CHE, and 11 others. The bottom of the screen shows the Windows taskbar with the time 11:40 AM and date 28-04-2023.

CHALLENGES IN ONLINE CERTIFICATION DISTRIBUTION

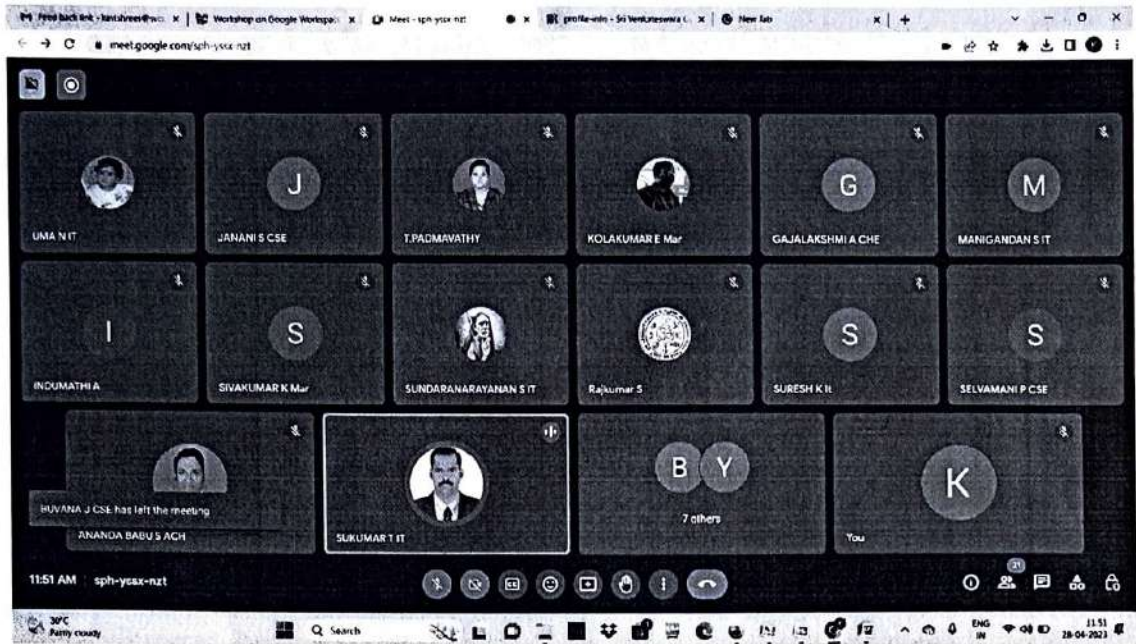

The screenshot shows a Google Meet window with a presentation slide. The slide is titled "06 Conclusion" and contains the following text:

Certificate designing tools are essential for creating professional-looking certificates in today's digital age. They offer various features and customization options that make it easy for users to design and distribute certificates.

Whether you're an individual looking to enhance your credentials or an organization seeking to recognize and validate achievements, certificate designing tools can provide a convenient and efficient solution.

The meeting interface shows a grid of participants on the right, including ANANDA BABU S ACH, JANANI S CSE, T.PADMAVATHY, KOLAKUMAR E Mar, MANIGANDAN S IT, GAJALAKSHMI A CHE, and 11 others. The bottom of the screen shows the Windows taskbar with the time 11:42 AM and date 28-04-2023.
