

Society of Mechanical Engineers Inauguration Report

Sri Venkateswara College of Engineering

September 25, 2023

- The Society of Mechanical Engineers (SME) at Sri Venkateswara College of Engineering embarked on a new journey on September 25, 2023, as it was inaugurated with great pomp and enthusiasm. The ceremony, held in the Video Hall as per the cherished traditions of the college, marked the beginning of a promising era for this multidisciplinary technical club. SME's primary aim is to provide numerous opportunities to the student community at SVCE, including workshops, webinars, and events aimed at skill enhancement, holistic development, and preparing students to be future-ready engineers.

A promotional poster for the inauguration of the Society of Mechanical Engineers (SME) at SVCE. The poster has a dark blue background with white and yellow text. It features the SVCE logo at the top left, the SME logo at the top right, and a circular inset photo of Mr. P. Rajagopalan, the Managing Director of Primo Automation Systems Pvt Ltd. The text on the poster includes the department name, the society name, the date and time of the event, the theme, and the name and title of the guest speaker. There is also an A+ NAAC accreditation logo in the top right corner.

A+ NAAC

A Day of Significance

- The inauguration program commenced at 09:30 AM, graced by the presence of approximately 200 enthusiastic students from the Mechanical department. The esteemed Chief Guest of the event, Mr. P. Rajagopalan, Managing Director of Primo Automations Pvt . Ltd., added an aura of distinction to the event.

A Harmonious Beginning

- The program commenced with a soulful prayer song rendered by Mr. R. S. Rahul, a student in his third year, seeking the blessings of the Almighty. This was followed by the ceremonial lighting of the lamp, symbolizing the dispelling of darkness and the advent of knowledge.

Welcoming Remarks

- Mr. Aditya Rajarathnam, Vice President of SME, extended a warm welcome to all present, setting the tone for an engaging and insightful event.

Unveiling the Office Bearers

- Mr. R. Kaliyana Sunder, Assistant Professor in the Mechanical Engineering Department, introduced the office bearers of SME for the year 2023-24. These dedicated individuals hold the responsibility of organizing regular events and elevating the club to new heights.

Visionary's Perspective

- Dr. S. Ramesh Babu, the revered Head of the Mechanical Engineering Department, shared his wisdom on the significance of the SME club. He encouraged the Office Bearers to carry out their responsibilities with dedication and sincerity, emphasizing the pivotal role they play in nurturing future engineers.

Honouring Our Chief Guest

- Mr. G. Logaranjan, Joint Secretary of SME, introduced the honourable Chief Guest, Mr. P. Rajagopalan. Mr. Rajagopalan engaged with the students, imparting his profound knowledge of the Automation Industry. He elaborated on how various domains, including Mechanical, Electrical, and Computer Science, converge in the realm of automation. Mr. Rajagopalan delved into emerging fields such as Artificial Intelligence, 3D printing, and Autonomous Cars. He addressed concerns about job displacement, emphasizing how automation can elevate workers to more rewarding and creative roles, akin to the transformative impact computers had on the workplace.

Inspiring Interactions

- Interacting with Mr. P. Rajagopalan, a stalwart in his field, was indeed a privilege. His insights left an indelible mark on all those in attendance.

- provided an overview of SME's achievements in the past year and outlined plans to expand the number of events conducted. His vision for SME promises exciting prospects for the club's growth and contribution to the college community.

A Gratified Farewell

- The inauguration of the Society of Mechanical Engineers at Sri Venkateswara College of Engineering was a day of inspiration and vision, marking the beginning of a

journey towards academic and professional excellence. The club, under the guidance of its dedicated office bearers, is poised to empower students, nurture their talents, and shape them into future-ready engineers. With the unwavering support of the SVCE community and esteemed individuals like Mr. P. Rajagopalan, the future holds boundless opportunities for SME's success and growth

Vote of Thanks

- The ceremony concluded with a heartfelt Vote of Thanks delivered by
- Mr. J. Madava Rajan, Treasurer of SME. He expressed gratitude to all attendees, especially Mr. P. Rajagopalan, for their invaluable presence and contributions to this momentous occasion.
