

Report on Guest Lecture by Uma Shrikanth M ;Executive director & Chief Technological Officer, Sim Infosystems on "Time management for Chemical Engineering Students - An industry perspective"

DATE: 6th of October, 2023

TIME: 11.00 AM

Objectives:

The main objective of the event was about sharing how to effectively manage and use time for Chemical engineers from an industry's standpoint.

About the Program:

The lecture was carried out on 6th of October, 2023 by **Uma Shrikanth M**; Executive Director & Chief Technological Officer, Sim Infosystems about the topic "**Time management for Chemical Engineering Students - An industry perspective**".

The venue started with a tamil thal vazhthu and presided with a welcome address by the Secretary of IICHE-AICHE SVCE STUDENTS' CHAPTER. A brief Introductory note about the speaker was given by Prof. Dr. N.Meyyappan; Head of the Department of Chemical Engineering, SVCE.

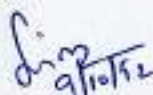

The speaker started his lecture by delivering various career opportunities and the nature of jobs for chemical engineering students such as EPCs, Refineries and petrochemicals, etc. He shared his time managing methods and briefed about how to manage time especially for Chemical engineering graduates so that students can use their time to learn valuable skills and concepts to meet with industries' expectations. He also emphasized the involvement of students in Co-curricular and Extracurricular activities which is very important for every engineering student to develop their professional and soft skills.

The President, IICHE-AICHE SVCE STUDENTS' CHAPTER gives the vote of Thanks and gathering ends with questions and feedback from students and wind up with National Anthem

Benefits:

The lecture raised an awareness about the importance of time management for chemical engineering students.
