SRI VENKATESWARA COLLEGE OF ENGINEERING

DEPARTMENT OF INFORMATION TECHNOLOGY

Report

Workshop Details:

1. Resource Person : **Ms.Vidya Prabhu**
2. Target Audience : I,II,III and IV year IT
3. Venue : Video hall
4. Date & Time : 23rd Sept 2022, 10 AM

Objectives:

- To provide the basic understanding of goal setting and Resume building
- To help students to realise the importance of proper Target setting and planning.

On 23rd Sept 2022, 10 AM, **Ms.Vidya Prabhu** , **Global Delivery Leader - IBM** delivered a Technical Talk On “Alma matter - what matters and what doesn’t for your future ”

The Welcome Address was given by Deekshita M, President-AIT, SVCE followed by an Introduction of Chief Guest by Sneha M, vice-president, AIT - SVCE and the event was hosted by Lekhashree Rajesh, Treasurer, AIT - SVCE.

The Head of the Department Dr. V. Vidhya, Department of Information Technology, motivated the students by giving them a brief introduction about the importance of goal setting. The Function lasted more than an hour. The Resource Person started the lecture by pointing out the impact of technology in this generation.

She started her presentation in Microsoft PowerPoint and pointed out the various roles of a student:

The importance of education and what a student should do to be successful. To elaborate, she mentioned about the different fields for the students to explore. To list a few, she explained about the recent research developments in artificial intelligence, machine learning, IOT, android development, Virtual Reality etc.,. Also she emphasized on the importance of improving their technical skills and coding skills to get placed in very good reputed MNC's. It is important to have a short term and long-term goal to keep going towards the desired success. Every student should plan a schedule for the next decade and accomplish at least one activity per day. She also mentioned the importance of effective communication, to be Self-motivated, Self-disciplined and Self-reviewing. A person with a growth mindset believes that they are always capable of learning, improving, and being intelligent. She also discussed the positive impact of planning a calendarized life and how a small change every day can build a better future, how technology is being a biggest problem in our society and how impact of technology in the last two decades among the students has affected their efficiency in career and interests.

Then the function was followed by delivering a thanking note to the office bearers of AIT (2021-2022) by Dr.V.M.Sivagami and the memento was awarded for their support throughout the year. The new office bearers of AIT (2022-2023) received their batches from Dr. V. Vidhya, The Head of the Department, Department of Information Technology.

The session came to an end by delivering the vote of thanks by Sanjiv TS, General Secretary-AIT.

Outcomes:

- To realise importance of education
- To understand the positive impact of planning a calendarized life.
