MAIN EVENT

The event began with Arthiya.NG (Executive Member, Alumni Association, SVCE) extending her warmest welcome to one and all present and addressed our chief guest for his valuable presence , Followed by prayer song sung by Pooja.V (Secretary,Alumni Association ,SVCE)

Then the event proceeded with Mr. Dhivyan.K, President (ECE Alumni Association) welcoming our chief guest and thus marking the start of the event.

The guest started the session by sharing many of his nostalgic memories when he studied in SVCE and then proceeded with the agenda of the seminar.

He pointed out the technological advancement that we have went through, as to how technology in the High Speed networking was back then and modern technology that we possess now. He introduced many technical terms , modern computing accessories and its working to enlighten everyone

with process of how much enormous backhand work is involved behind a very simple task to be performed in internet .He also explained about the steady growth in this field and upcoming networking trends which looks really promising for students who are about to enter this line of stream.

After a detailed explanation of the agenda, speech came to an end with an interactive Q/A session between chief guest and audience where they clarified their doubts and Finally, the session was concluded with a Vote of Thanks by Mithun(Joint Secretary,Alumni Association ,SVCE) and a token of memento was handed out to our chief guest by Mrs. D. MENAKA & Mrs. C. Gomatheeswari Preethika
