Report of the Guest Lecture on "Basics and Advanced Immunotherapeutics"

#### 13<sup>th</sup> August 2022

A guest lecture on "**Basics and Advanced Immunotherapeutics**" was organized by Department of Biotechnology, Sri Venkateswara College of Engineering, Sriperumbudur on 13th August 2022 (2.00 to 3.30 PM IST) through virtual mode. The guest lecture was conducted by Dr. K. Ganesh Prasath, Assistant Professor, Biotechnology with Prof. E. Nakkeeran, Head of the Department, Biotechnology as Organizing Secretary and Prof. M. Sivanandham, Secretary, SVEHT as Convener.

The session was started with a welcome address by Prof. E. Nakkeeran and Ms. K. Madhumitha, III Year, B. Tech Biotechnology, introduced the guest speaker **Dr. Sunitha Bagawath Singh, Scientist, Immunology and Cell Biology, BioArctic AB, Sweden.** The main objective of the Guest Lecture was to provide the importance of immunotherapy on human diseases. The talk was also enlightened various applications of drug delivery and human trials in the field of Biotechnology.

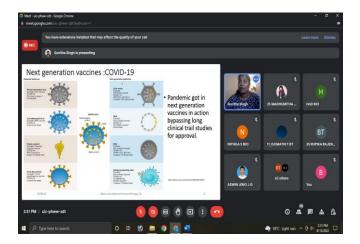

Participants including UG, PG students and the faculty members from SVCE attended the event with a total of 85. Dr Sunitha Bagawath Singh discussed the different types of Immunotherapies, Case Studies on Immunotherapies and the future immunotherapeutic techniques on Microbiome and Artificial Intelligence. The lecture was followed by an interactive session and the guest speaker addressed the questions raised by the participants. In addition, the speaker addressed the students on the suitability of Sweden for pursuing master's and PhD.

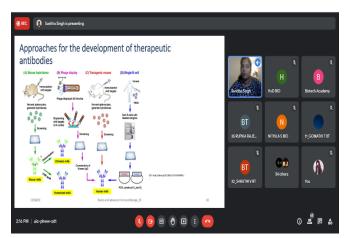

The session was concluded with a vote of thanks delivered by Ms. B. Harini, III Year, B. Tech Biotechnology, SVCE. Guest speaker, Dr Sunitha Bagawath Singh thanked the organizers and the management of SVCE for organizing this event.
