28.01.2023

**A Report**

**SRIVENKATESWARACOLLEGE OFENGINEERING**  
**DEPARTMENTOFINFORMATIONTECHNOLOGY**

**Report**

1. Resource Person : Mr.Rajavel Sundiramurthy, Associate Director,UBS  
Singapore
2. TargetAudience : Students & Faculty
3. Venue : Online
4. Date& Time : 28<sup>th</sup> January 2023 &9:00 AM

**Objectives**

- To increase productivity by automating repeatable operational tasks.
- To eliminate human error, and improve consistency and accuracy.
- To reduce cost and save time.
- To adapt to new technologies to meet current market standards.

On28<sup>th</sup>Jan2023,at 9AM,Mr.Rajavel Sundiramurthy, Associate Director,UBS, Singapore, deliveredanExpertTalkon“**Automation and Migration Challenges in Information Technology**”.The Welcome Address was given by Dr. T. Sukumar, Professor,Department of Information Technology,SVCEfollowedbyanIntroductionoftheChiefGuestbyMs. Sneha,a final year student of the Department of Information Technology,SVCE.

The Assistant HoD of the Department Dr. T. Sukumar, motivated the students by giving them a brief introductionabout the importance of automation and migration challenges in Information Technology. The workshop lasted for more than an hour. The resource person startedthelecture with the need for automation and migration challenges.

He first started his presentation by explaining the need for automation and the various challenges associated with it. He elaborated on the real scenario challenges of automation like compatibility issues with Java, and C/C++/other technology-based applications. He elucidated CID (Client Identifying Data) and the complexities involved in building the algorithms to correlate events/alerts. He also explained authentication challenges and robotic process automation which is a time-consuming and expensive process.

Then, he explained in detail the need for migration and how to adapt to new technologies to meet current market standards and to meet business requirements. He highlighted the following challenges of cloud migration.

- Lack of clear strategy determined by business objectives
- Cloud sprawl caused by not having a clear understanding of the full scope of cloud environments
- Exceeding the planned budget
- Security weak points and failures of critical services
- Human error and a lack of skills required to operate the new infrastructure

He also highlighted the various migration challenges like business continuity management (BCM), Network and cloud challenges. He explained interoperability issues of how one application can be connected with other applications.

At last, he gave a summary of topics discussed in automation and migration challenges in Information Technology. The session came to an end by delivering the vote of thanks. Dr.V.M.Sivagami, Prof/INT delivered the vote of thanks and conveyed her gratitude to all faculty and students for their active participation.

### Outcomes

1. Identify implementation methods for deploying a framework into multiple platforms.
2. Assess the right resources with the correct skillset to perform the migration or the building of a framework.
3. Establish rules for testing modules to mimic the integration until it is all integrated at the end.
4. Develop frameworks with dependency compatibility versions.

## **CHIEFGUEST PROFILE**

### **Mr. Rajavel Sundiramurthy**

### **Mr. Rajavel Sundiramurthy, Associate Director, UBS, Singapore**

**Mr. Rajavel Sundiramurthy** completed B.E. in Computer Science and Engineering from the University of Madras. **Mr. Rajavel Sundiramurthy** is a System support analyst in the Banking industry in the IT department and currently working as an Associate Director, at USB, Singapore.

His research experience includes application automation, and Unix/Linux-based system migrations.

He is actively involved in Business Continuity Management (BCM) and executed various activities with different automation strategies. He has successfully completed various platform migration projects. He completed migration activities in the cloud and handled authentication issues in projects.

## **DEPARTMENT OF INFORMATION TECHNOLOGY**

27January 2023

To

**Mr. Rajavel Sundiramurthy**  
**Associate Director, Information Technology**  
**UBS(Investment Bank)**  
**Singapore**

Dear Sir,

**Subject:** Invitation – Chief Guest for Special Talk on “Automation and Migration challenges in Information Technology”- reg.

At the outset, we would like to thank you for your graceful acceptance of our invitation to deliver Special Talk on “Automation and Migration challenges in Information Technology “on 28<sup>th</sup> January 2022, 9.00 AM onwards.

Department of IT engages in several activities like Workshops, Expert Lectures, Symposia and Industrial visits aimed to benefit our students and faculty members. These activities equip them to sharpen their technical skills and create awareness & bonding among our students.

Department of IT looks forward to your presence amongst our faculty members and students for sharing your valuable thoughts and advice on the above topic which will definitely enrich their knowledge.

We thank you once again for accepting our invitation. We are eagerly awaiting for your interaction among our students and our faculty members with your expertise.

Thank you.

Yours sincerely,  
(Dr. V. Vidhya)  
HoD /Information Technology  
SVCE.
