TIMELINE OF THE EVENT

The "MathCo Quizzard" event was held from 9 am – 12 pm on 23rd February 2023 at Function Hall, SVCE.

The event started at 9 am as all the participants sat with their respective teams awaiting the arrival of the chief guest. The Chief guests were 3 members of the HR team from The Math Company Ms.Kruthika, Mr. Praveen, and Mr. Rahul arrived at 9:30. Once the Chief Guest had time to settle down welcome speech was given by Lekha Shri which was followed by Chief Placement Officer Mr.Muralidharan Sir addressing the participants. Ms.Kruthika and Mr. Praveen briefly introduced TheMath Company and answered a few questions from the audience.

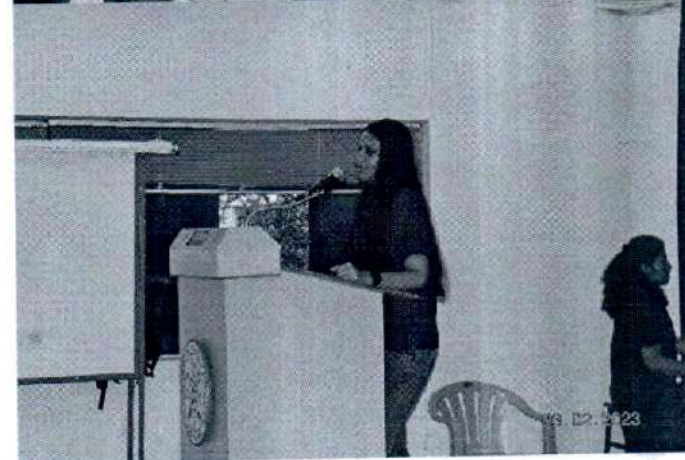

Round one of the quiz commenced in an online mode being conducted in the Kahoot App in which 98 teams of 2 members each took part. At the end of the first round 5 teams were selected. The 5 teams are Hariharan S and Dhanush E S from Error404, Prasanna A and Navin Kumar K from Leo2, B Rithika and Puja Sri R from Set Square, Yogesh S U, and Sredesh from OOPS and Nivetha D R and Mahisha P from Spark plugs went head to head in the final round. Each team was given 2 questions in round 1 of the final round, and in Round 2 of the final round, each team selected a topic under which they had a choice of 6 questions from which they were to answer 3 questions. After the 2 Rounds of Finals Team Error404 team came out ahead with 20 points, there was a tie for the runner-up position between Team OOPS and Team Set Square with 10 points each. The winning team and the 2 running-up teams were given a Power Bank as a prize from the Math Company. The prizes were handed out by Mr. Praveen from the Math Company and Dr. T. Padmavathy to the winners and Runners.

GENUINE FEEDBACKS

There were some minor glitches in Round 1 with participants being unable to join the Kahoot link and general issues regarding participants being unable to connect to the college Wi-fi.

1 Problem with internet connectivity
 2 Food problem with logging in the quiz
 3 A walkthrough on how the questions are gonna be whether they are timed or not and how the flow is...and how the quiz works would have been helpful.

1 Year it was really good, nothing
 2 It was very interesting
 3 Its quite good
 4 Good
 5 GENERAL KNOWLEDGE NO ANYONE

1 Very good internet quality. App also crashed during log in. First internet problem and then app problem.
 2 Very creative
 3 Good
 4 No suggestions

1 They were quite difficult
 2 Good
 3 With the app
 4 The questions were really good

1 Half of them were good. Providing good network, a better platform for conducting quiz.
 2 Something funny
 3 Core company questions
 4 Coordinating

1 I feel that if the questions were related to technical areas like coding it would have been better.
 2 Interesting
 3 Tech support
 4 Such support

1 The questions were more Provide better will connection and use better applications for conducting the events
 2 Nice
 3 Final round is very difficult
