Dear Sir / Madam,

On behalf of the Department of Chemical Engineering, we are pleased to invite you all for the guest lecture on the topic " Paper & Pulp Operations" on 21/03/2023 (Tuesday).

Venue: Video Hall, SVCE**Timing:** 01.30 PM to 03.00 PM

A copy of the invitation is attached herewith. All are cordially invited.

With Thanks and Regards

Dr N Meyyappan

Dear Sir

Thank you for your immediate response and reply.

As informed over phone, try to reach our campus by 12 Noon.

Once again I thank you for accepting our invitation and joining for lunch.

With Best Regards

Dr N Meyyappan

Report on Guest Lecture by Shri.R.Ashok Kumar, Director, Cubane Speciality Chemicals Pvt.Ltd & Shri.P.Prem Anand, Director, Cubane Speciality Chemicals Pvt.Ltd on "Pulp and Paper Operations "

DATE: 21st Mar, 2023

TIME: 01.30PM

OBJECTIVES:

The main objective of the lecture was on the various operations involved in the manufacturing of Paper and production units. The lecture also imparts the students to know various processes involved in Paper industry.

ABOUT THE PROGRAM:

A guest lecture by Shri.R.Ashok Kumar & Shri.P.Prem Anand Directors, was organized by department of chemical engineering in association with IChE- AIChE and ACT- SVCE on 21/03/2023 and the venue at the Function Hall- SVCE .

The programme started with welcome address by President- IChE- SVCE student chapter. Dr.N.Meyyappan, Professor & Head, Department of Chemical Engineering gave the introductory note about the speaker. The session was handed over to the speakers of the guest lecture.

The speakers delivered their lectures on various operations involved in Paper industry and also in performing the operation. They talked about the various strength and quality of papers employed in various fields. This lecture also shows the importance of how the Paper industry play a vital role in Indian economy. The session was very interactive and all the students found it to be very useful... The session was ended with a vote of thanks.

BENEFITS:

The Guest lecture helped the participants to understand the concepts involved Paper industry. It also helped participants to understand how to follow the safety rules and regulations in industry and also how to prevent the hazards disposal in working environment.
