### Report of the Guest Lecture on "Clinical drug development - a journey from bench to bedside"

20<sup>th</sup> August 2022

A guest lecture on "**Clinical drug development - a journey from bench to bedside**" was organized by Department of Biotechnology, Sri Venkateswara College of Engineering, Sriperumbudur on 20<sup>th</sup> August 2022 (2.00 to 3.30 PM IST) through virtual mode. The guest lecture was conducted by Dr. K. Ganesh Prasath, Assistant Professor, Biotechnology and Mr. J.G. Aswin Jeno, Assistant Professor, Biotechnology with Prof. E. Nakkeeran, Head of the Department, Biotechnology as Organizing Secretary and Prof. M. Sivanandham, Secretary, SVEHT as Convener.

The session was started with a welcome address by Prof. E. Nakkeeran and Ms. B. Harini, III Year, B. Tech Biotechnology, introduced the guest speaker **Dr. Sakthi VP Srinivasan, R&D Coordinator (Cell Therapy for COVID19), NextCell Pharma AB, Sweden**. The main objective of the Guest Lecture was to provide the importance of Clinical Drug Development.

Participants including UG, PG students and the faculty members from SVCE attended the event with a total of 75. Dr. Sakthi VP Srinivasan discussed the life cycle and challenges in the new drug development, target discovery and clinical phases of investigational new drug application. The lecture was followed by an interactive session and the guest speaker addressed the questions raised by the participants. In addition, the speaker addressed the students on the employment opportunities in the field of Clinical Research.

The session was concluded with a vote of thanks delivered by Mr. K.S. Nithishwaran, III Year, B. Tech Biotechnology, SVCE. Guest speaker, Dr. Sakthi VP Srinivasan thanked the organizers and the management of SVCE for organizing this event.
