REPORT OF HACKIT 2.0

1. Venue : Function Hall & Video Hall
2. Date & Time : 26th April 2023 & 27th April 2023

Objectives:

- To equip the students with the knowledge and skills required for industry-level product development.
- To enable the students to acquire key professional skills that is necessary to thrive in a competitive environment and put them to use effectively.
- To help the students understand how product development works in the industry.

About the programme:

The Department of Information Technology in collaboration with the Computer Society of India - SVCE Student Chapter and in partnership with Mr Cooper, India organized an inter-college hackathon, HackIT 2.0 from April 26th to 27th, 2023. HackIT 2.0 garnered a lot of interest from participants across various institutions, and many teams expressed their enthusiasm by registering their teams. Totally, 38 teams comprising 1 to 6 members each registered for the event and 23 teams consisting of 110 participants were qualified for the competition after careful screening.

The event commenced with an inaugural ceremony at 1:00 PM on April 26th, 2023 with the participating teams. Ms. Harini Padma, II year student of INT, started the proceedings with a prayer song. Ms. Rajarajeswari, Executive member of CSI-SVCE Student chapter welcomed the gathering. Dr. T. Sukumar, Assistant HoD/INT, delivered the inaugural note to the gathering and

welcomed both the participants and the Chief Guest, Prof. Muraleedharan, Chief Placement Officer. He also encouraged the participating teams and extended his best wishes to them.

Inauguration - 26/4/2023 -1.00 PM

Welcome Address

Ms. Rajarajeswari, Executive member,
CSI-SVCE student chapter

Short note

Dr. T. Sukumar, Asst. HOD/INT

Inaugural Address

Prof. S. Muraleedharan,
Chief Placement Officer

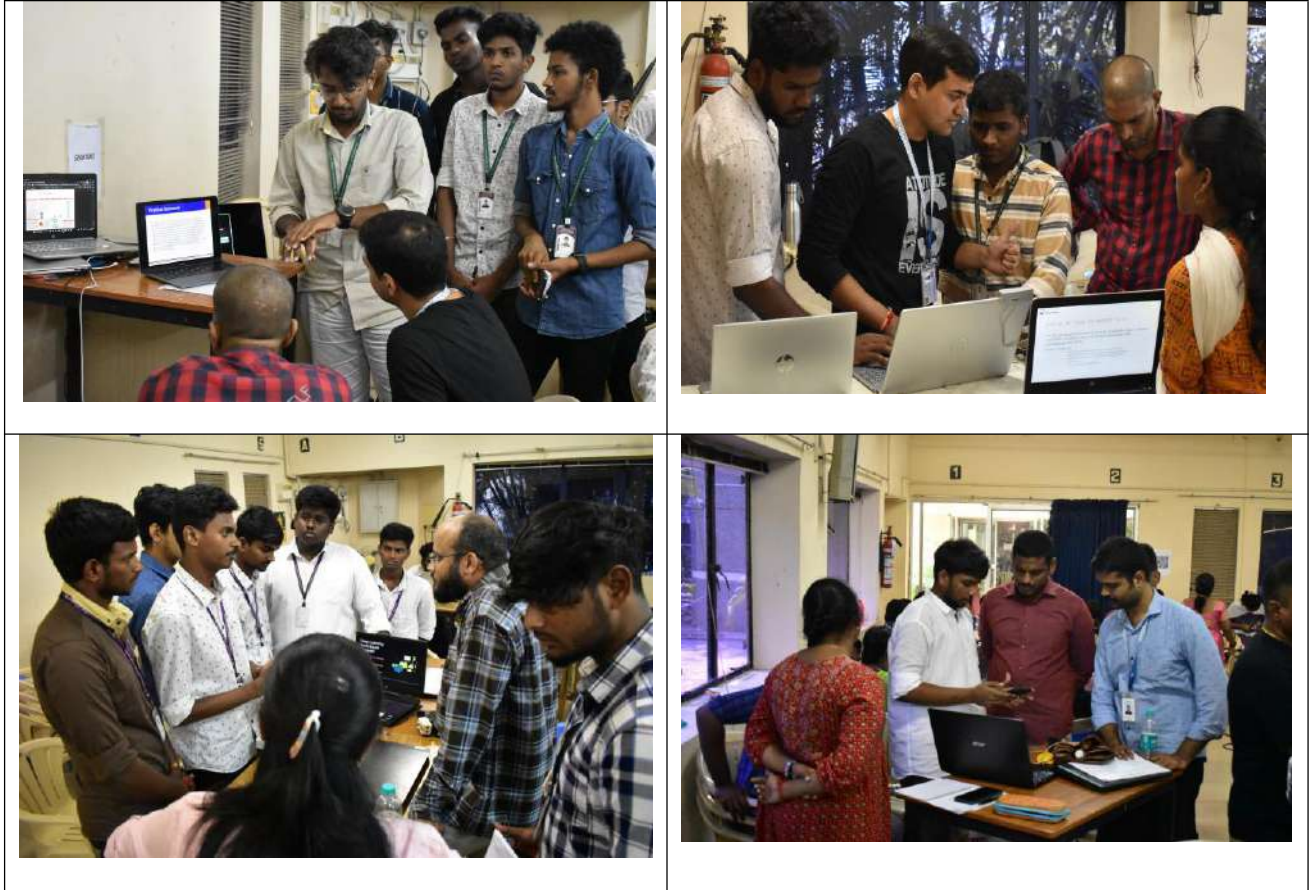

During the inaugural address, the Chief Guest emphasized the significance of the Hackathon and extended his best wishes to all the teams. He stressed the importance of technical events as a means to enhance the technical aptitude of students.

The Hackathon proceeded with teams showcasing their impressive technical skills and presenting their projects, after which the panel carefully evaluated and selected the teams with the best deliverables and presentations. Throughout the event, the 14 jury members from Mr. Cooper closely monitored the teams' progress and provided their unwavering support to ensure the event's success. We had the privilege of having two of our alumni namely, Mr. Hari Prasath (an alumnus from 2012) and Mr. Kabithapriyan Palanivel (an alumnus from 2013) serve as jury members for the event.

Mr. Hari Prasath (an alumnus from 2012) and Mr. Kabithapriyan Palanivel (an alumnus from 2013) as juries

Jury members assessing the teams in HACKIT 2.0

The event concluded with a valedictory ceremony on 27th April, 2023 for which Mr.Mohanbabu Balachandran, Vice President of Engineering, Mr.Cooper was the chief guest. Mr. V.Ranjith, AP/INT rendered the prayer song. Mr. R. Satheesh, Chairman of CSI-SVCE Student Chapter, welcomed and introduced the chief guest.

During the valedictory address, the chief guest commended the participants for their hard work and encouraged them to continue developing their projects. He noted how teams were comprised of students from different departments and congratulated them for presenting their ideas in a highly professional manner, consistent with industry standards. The chief guest expressed his appreciation for the technical skills exhibited by the participants. Finally, the winners of the event were announced by chief guest. The winners were awarded with cash prizes of Rs. 10,000 to the first-place team, Rs. 5,000 to the second-place team, and Rs. 3,000 to the third-place. The cash prize for the II place was sponsored by our alumnus Mr. Kabithapriyan Palanivel (an alumnus from 2013) from Mr.Cooper.

The chief guest was felicitated with a memento by Dr.T.Sukumar, Assistant HoD/INT. The event was concluded with a vote of thanks delivered by Dr. P.Sharon Femi, Associate professor/INT.

Valedictory - 27/04/2023 - 1.30 PM

III	Swag Techie	Yeshwanth V G Srinath M Yogesh B Hari haran B	R.M.K College of Engineering and Technology

1st Prize

2nd Prize

3rd Prize

Participant details

Total Number of Participants : 110

Total Number of Teams Registered : 38

Total Number of Teams Shortlisted : 23

Total Number of Teams Registered From Other Colleges : 3

Outcomes:

- The event instilled a sense of professionalism in the students and also helped them gain major skills such as product development, team coordination and presentation skills.
- The students were also exposed to key industry technical trends and development practices.

SRI VENKATESWARA COLLEGE OF ENGINEERING
FEEDBACK - INPLANT TRAINING / SHORT TERM COURSE

Name of the Student	SRINATH.M
Branch/Semester/Section/Roll No.	ECE/V1/B/111620106099
Industry/ Institution Visited	SVCE / For Hackathon
Duration of Training/ Course with date	24hrs hackathon
Plants visited during training	-
Whether the training/Course was useful? In what way? Give reasons. Yes, it is very useful, we have gained lots of experience and exposure.	
Any other suggestions The way of approaching us and the gesture was very nice.	
Report and Copy of Certificate submitted.	
 HOD	 Faculty Incharge

The person who has attended the course should prepare this in triplicate and submit copies to:
A2, A3 and Dept.
