Title: Empowering Education: Sponsoring Computers for Village School

- 1. Introduction:** Sponsoring computers to schools is a proactive step towards empowering education in the digital era. The management of Sri Venkateswara College of Engineering sponsored a computer for Nallur Government higher school Poonthandalam Village under NAADU NAM VEEDU Scheme and Government Middle School Nemili Village under UNNAT BHARAT ABHIYAN Scheme.

2. Importance of Computer Sponsorship:

The Unnat Bharat Abhiyan Cell, Sri Venkateswara College of Engineering by the sponsorship initiative requested the school principals to ensure

- Digital literacy: Computers facilitate digital literacy, equipping students with essential skills for the modern world.
- Access to information: Computers provide access to vast educational resources, enhancing learning opportunities.
- Skill development: Exposure to computers fosters skills such as problem-solving, critical thinking, and creativity.

- Bridging the digital divide: Sponsoring computers ensures equitable access to technology, bridging the gap between privileged and underprivileged students.
3. **Conclusion:** Sponsoring computers to schools is a transformative initiative with far-reaching benefits for students, teachers, and communities. By investing in education, we pave the way for a brighter, more equitable future. The Panchayat presidents and the school principals thanked the Management and Principal of **Sri Venkateswara College of Engineering**. The Team from **UNNAT BHARAT ABHIYAN** Cell, Sri Venkateswara College of Engineering assured the Panchayat presidents and school principals of both villages of their continued support on education and health initiatives to the village community.
