Project Description:

We, The Rotaract Club of Sri Venkateswara College of Engineering sponsored by Rotary Club of Madras Pallava have embarked on a year-long project named "**Big Billion Days**". The project aims to provide valuable financial tips and advice for personal and financial development through various social media platforms. So far we have successfully completed 45 days.

What is Finance ?

Finance is a term for matters regarding the management, creation, and study of money and investments.

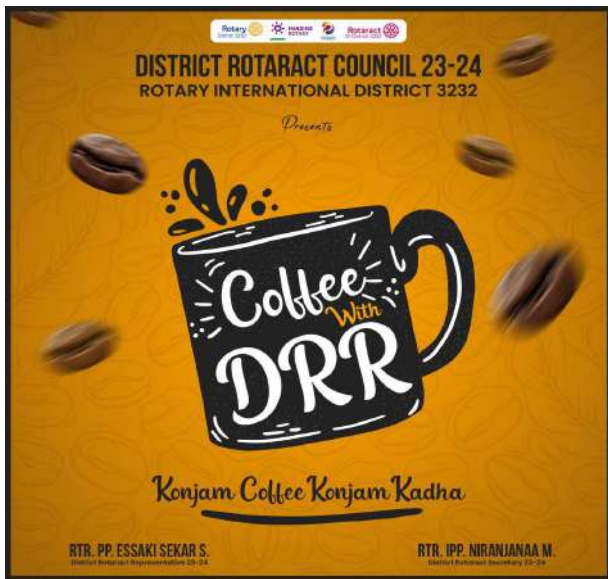

Finance is important for the proper functioning and growth of any entity, including an individual, business, or nation. Finance helps an entity meet its goals with the optimal use of its resources and wise decisions.
