ACTION TO BE TAKEN

From the above observations collected from stakeholder's feedback, the following action plan were proposed to implement in the next revision of our curriculum & syllabus

- To increase the practical knowledge more numbers of integrated courses can be introduced.
- Application of software tools can be exposed to students through seminar and workshop.
- Subjects can be thought with industrial experts to improve industrial knowledge. Industry based P&ID can be introduced in curriculum.
- Students may be motivated to do more online courses offered by NPTEL, SWAYAM, etc.
- Students to be advised to complete the course during the first attempt since students with history of arrears are not eligible to register Honors & Minors.
